"Only Your Best

Is Good Enough"

Bengough School is located on Treaty 4 Territory, the original lands of the Cree, Ojibwe, Saulteaux, Dakota, Nakota, Lakota, and on the homeland of the Métis Nation.

MESSAGE FROM THE PRINCIPAL

In our last newsletter I welcomed three new staff members. Since then, we have another new staff member. I would like to welcome Danielle Miller, who has joined us part-time and is teaching the Kindergarten class in the mornings. Welcome!

Volleyball season is just about over for this year. The Bantam Girls and Bantam Boys have each had their sectional playoffs. The girls placed third at sectionals – congratulations girls! The Senior team has a tournament in Gladmar this weekend and then their season will be over. Congratulations to all players whose skills have increased over the season. Thank you to all coaches for their commitment to their teams – it takes a lot of extra time to coach a team and your time is appreciated (even though sometimes it may feel like an under-appreciated job)! Also, a huge thank you to those parents who were able to drive to away games and tournaments. Your willingness to give of your time is greatly appreciated, as without you the teams would not be able to go anywhere.

Our next sport is Basketball, which will start in a few weeks. We are still counting the numbers of those interested to determine what teams we will have – stay tuned!

Tonight, as the Goblins and Ghouls hit the streets to trick or treat, please watch out for them so that everyone has a safe night. Happy Halloween!

Another reminder for community members: **it is illegal to drive through the crosswalks and the busses when the bus stop arms are extended and the lights are flashing.** Please pay attention to these details as we don't want any of our students getting hurt.

As always, if you have questions or concerns about your student, please contact the appropriate person so that your concern can be addressed immediately by the person who is involved. Issues can be best worked out by approaching the appropriate person.

Have a great weekend. Have fun and be safe.

Theresa Mooney,

Principal

REGIONAL
Kids First

The bantam girls' volleyball team would like to thank Mrs. Lee, Kennedy Gauley, Tanya McCann, Hayley M, Brielle A, and Jasmine L for refereeing league games, our home tournament, and sectionals. We would also like to thank Mrs. Fieger for hosting excellent canteens during our league games, home tournament, and sectionals. Thank you to the following parents for driving us to various league games and tournaments: Jodie Lee, Charla Holbrook, Kim Robinson, Kim Hoffart, Katrina McCuaig, Leah Tendler, Tanya McCann, Bobi Jo Adam, Kristie Hoffart, and Louise Cleveland. Thank you to Miss Gauley and Ms. Fieger for coaching and for driving us to league games and tournaments. Lastly, thank you to everyone who came out and cheered for us!

Two Sentence Horror Stories for your Halloween Enjoyment

My daughter is so beautiful - her hair, her grin, her gown, her pale, pale skin. I take a picture then zip the body bag back up and take her down to the basement.

Tyla

My roommate called an exorcist yesterday, claiming our cozy cottage to be haunted by the last owner who died in her sleep. News to me - I didn't know there was a "last owner".

Kim

I walked down my stairs to the kitchen to get a glass of water, when I heard the toilet flush. I live alone.

Rikell

A dog brushed my leg while I was in bed. I don't possess a dog.

The Importance of School Attendance

Encouraging regular school attendance is one of the most powerful ways you can prepare your child for success—both in school and in life. When you make school attendance a priority, you help your child get better grades, develop healthy life habits, avoid dangerous behavior and have a better chance of graduating from high school.

When students are absent for fewer days, their grades and reading skills often improve—even among those students who are struggling in school. Students who attend school regularly also feel more connected to their community, develop important social skills and friendships, and are significantly more likely to graduate from high school, setting them up for a strong future.

Here are 10 facts about School Attendance

1. Absenteeism in the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days in September go on to miss nearly a month of school.
2. Over 7 million (1 in 7) U.S. students miss nearly a month of school each year.
3. Absenteeism and its ill effects start early. One in 10 kindergarten and first grade students are chronically absent.
4. Poor attendance can influence whether children read proficiently by the end of third grade or be held back.
5. By 6th grade, chronic absence becomes a leading indicator that a student will drop out of high school.
6. Research shows that missing 10 percent of the school, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month and that's known as chronic absence.
7. Students who live in communities with high levels of poverty are four times more likely to be chronically absent than others often for reasons beyond their control, such as unstable housing, unreliable transportation and a lack of access to health care.
8. When students improve their attendance rates, they improve their academic prospects and chances for graduating.
9. Attendance improves when schools engage students and parents in positive ways and when schools provide mentors for chronically absent students.
10. Most school districts and states don't look at all the right data to improve school attendance. They track how many students show up every day and how many are skipping school without an excuse, but not how many are missing so many days in excused and unexcused absence that they are headed off track academically.

DON AMERO

Saturday, February 29, 2020 7:00 PM
Bengough Community Centre

An evening with Don Amero is a new take on the classic travelling troubadour. With a combination of original music and classic covers like Blue Rodeo's "Try", it falls somewhere between a family friendly stand up comedy show and an intimate concert. Between the witty banter, laughs, heartfelt music and inspiring stories, it is an experience for the whole family. Don believes that music is medicine and reaches a depth of the soul that no prescription can offer. We've all felt the power of a melody, lyric or song - it has an almost

supernatural ability to move us on an emotional level. In his performance Don takes the listener on a emotional journey - leaving the audience encouraged and inspired to take better care of themselves and others. From the stage, he shares the joys and pitfalls of being a husband, father and musician in today's world. With a heavy dose of humour, he connects with an easy and effortless charm as he shares his real life stories and songs with his audience.

TREVOR PANCZAK

Friday, April 24, 2020 7:00 PM
Bengough Community Centre

There's just something honest, compelling and immediately like-able about 10 time ACMA nominated artist Trevor Panczak. (pan.zak) With a refreshing realism that is increasingly rare to find, the 6'5" Alberta born and based country recording entertainer, writes, interprets and records songs that speak to one's heart in a way that is simple, soulful

and with an appeal to a broad array of music fans. Trevor's solid reputation in Alberta as an entertainer & singer/songwriter, comes as a result of his deep, humble farm roots that provide the foundation of an authentic country music artist.
