"Only Your Best

Is Good Enough"

Bengough School is located on Treaty 4 Territory, the original lands of the Cree, Ojibwe, Saulteaux, Dakota, Nakota, Lakota, and on the homeland of the Métis Nation.

Hello;

Our first month of school is over and we are definitely "in the groove" with the new routines and procedures that the covid pandemic has brought upon us.

Because our 2019-2020 school year was cut short and we did not have a full year to work on our goals, we decided to stick with the same school goals again this year. Our school goals are:

By June 2021, the number of students, in grades 6 through 10, writing at level 3-4 will increase by 10% from the baseline data collected at the end of September, using the Holistic Writing Rubric.

By June 2021, 90% of grades 1-5 students will show progress in their reading and comprehension by improving at least one level, as measured by Fountas and Pinnell.

By June 2021, students in grades 4-12 will improve the rating of student-teacher relationships by 10% based on the Our School survey.

Our SCC will meet for their Annual General Meeting and Election on Thursday, October 8 at 7:00 in the school library. This meeting is open to the public with a maximum attendance of 30. If you are interested in joining the SCC, election night is your time!

One reminder for community members about when busses are out front the school picking up students: **it is illegal to drive through the crosswalks and the busses when the bus stop arms are extended and the lights are flashing.** Please pay attention to these details as we do not want any of our students getting hurt.

As always, if you have questions or concerns about your student, please contact the appropriate person so that your concern can be addressed immediately by the person who is involved. Issues can be best worked out by approaching the appropriate person.

Have a great week. Have fun and be safe.
