## Drive Safely in School Zones

Be alert! During drop-off times school zones can become extremely congested and it may be difficult to identify hazards. Young children tend to think vehicles can stop instantly and may begin crossing before it is safe to do so.

## Staff Parking Lot

We are asking that parents do not pick up/drop off in the staff parking lot. This is for the safety of everyone.

## AM ARRIVAL TIME

The school yard is not supervised until 8:50 am. For this reason, we ask that you not send your child(ren) to school before this time. On cold (or rainy) days we ask that you send your child as close as possible to the 8:55 bell.

## PARENT VOLUNTEERS

If you would like to volunteer for extra-curricular activities, field trips or other school activities, you will need to have a **valid criminal record check completed.**
