## Lots of Socks Day – Tuesday, March 21, 2017

In celebration of World Down Syndrome Day, our school will be taking part in the “Lots of Socks” event. Socks often look very different yet show our individual style. They can come in all shapes and sizes, all different colours and shapes, and have different “jobs” like hockey socks and woolly socks to keep our feet warm – and sometimes they just look nice!

Just like people, each sock is important. Here’s how you can join in the fun – wear socks on March 21 – lots of brightly coloured socks, mismatched socks, long socks, 1 sock, maybe 3 socks for 3 chromosomes.
