Lockdown Drill

Parents, Please Note: Our first lockdown drill is scheduled with Inspector Taylor on Thursday, October 27 at 1:45 pm.

The purpose of a school lockdown drill is to protect and keep as safe as possible the children and adults in the building from a potential emergency. These drills are designed and implemented with input and assistance from Inspector Don Taylor. Ideally, these drills should be conducted a few times a year at different times of the day and without pre-announcement to give students and staff the opportunity to practice.

In a lockdown drill, students are to clear the halls and report to the nearest available classroom where they are to hide and stay as silent as possible.

School lockdown drills also usually include the following procedures:

- Doors to classrooms are closed and locked.
- Students are moved to the safest part of the room, away from windows and doors, to the interior walls.
- Window shades are pulled down.
- Classroom lights are turned off.

CROSS COUNTRY

This year's cross country team was made up of Grades 4, 5, and 6 students.

In grade 4: Caleb S, Finn H, Isaac A, Brayden S, Sophia G, Chloe W

In Grade 5: Victor S, Judah G

In Grade 6: Aden F

Thank you for running on our team. It was great to see so much progress. Congratulations to Aden F who placed first in the first race, third at Wakamow, and third in the final championship race!
