Friday, November 4 – Non Student Day - Teachers Are Learning -

Friday, November 11 – Remembrance Day, No Classes

Friday, November 18 – No Classes Due to Student Led Conferences

'High-Five Fridays at CES'

A new tradition is catching on at CES! "High-Five Fridays" take place every Friday. On Fridays, student leaders are stationed at every door to greet every student to school. It's a great way to start their day and celebrate Fridays!

Briercrest College Hosts Caronport Elementary School for Volleyball “Fun-Day”

By Jadon Frank

The Briercrest College athletic department hosted the Caronport Elementary School (CES) Wednesday, Oct. 26 for a morning of volleyball teaching and games with the elementary school students.

CES Athletic Director Brandon Loveridge was excited with what he saw Wednesday morning. “Great job with our students yesterday!” Loveridge said. “The students showed great excitement and they were engaged while learning skills and participating in the activities. We loved how students were greeted at the door with a smile and a high five. They immediately felt like they were part of the team. We look forward to continuing a partnership with the college to encourage students to get involved in sport. Thank you for your time and preparation to make these events happen.”

Briercrest women’s volleyball head coach Nolan Weinmaster helped lead the activities for the day and was excited to see the engagement between all involved.

“It was so fun to have the CES students here in our gym to interact with our college student-athletes and learn a few things about volleyball!” he explained. “The boys and girls were so attentive and it was great to see them so eager to learn! Our college volleyball players had a great time coaching and playing volleyball games with the kids! Many of them commented after about how much fun they had and that they were grateful for the opportunity to invest in these young lives.”

Respect for Private Property

We are reminding our students at CES to respect our neighbor’s private property while walking to and from school.

COMMUNICATION

STUDENT-LED CONFERENCES

Communication between the school and parents is important to ensure successful progress at school. Parents are encouraged to call the school if there are concerns, questions or words of praise.

Report Cards are issued to the parents three times during the school year. Two of these reports are followed by Student-Led Conferences. **Our first set of Student-Led Conferences are being held on November 15th and 16th.**

We encourage all parents/guardians to attend these conferences. It is intended that we hold two conferences with each parent during the school year and more if required. If you wish a conference at any other time please feel free to contact your child's teacher.

In these conferences, students may take the lead role to describe their learning. They are encouraged to reflect on their work throughout the days prior to the conference and share these reflections with parents and teachers along with examples of what they've accomplished. Thank you for being active partners in your child's education!

YARD SUPERVISION

*The school yard is supervised at both recesses and at noon hour from 12:10 to 12:40. **The school yard is not supervised until 8:50 am.** For this reason, we ask that you not send your child(ren) to school too early in the morning. The doors and halls are monitored from 8:40 am and staff are available in case of an emergency.*

Parent Volunteers

If you would like to volunteer for extra-curricular activities, field trips or other school activities, you will need to have a valid criminal record check completed.

Thank you to our SCC and all volunteers for all the work put into the delicious Fall Dinner on Friday!
