STUDENT AGENDAS, FIRST CLASS PLANNERS

We believe every child's growth is dependent upon the collective efforts of parents, community, staff, and students to create a positive and supportive environment for learning. We look forward to joining with you in continuing the process of building the best possible school, one student at a time.

Please take the time to read the information found in your child's agenda and discuss it with your child. It is designed to assist both students and parents to better understand the daily operation of the school, its programs, routines, and policies. We extend an invitation to all parents to visit or contact the school at any time – your involvement is valued.

A special thank you to Natalie & Nigel Mullan for organizing the first Briercrest College and CES Play Day on Friday, September 9th! What a wonderful morning for all involved! We look forward to the College conducting monthly activities with our CES students.
