I am extremely pleased and excited to tell you about the upcoming CES 2016 – 2017 Yearbook. Notices have been sent home so that you can order your child's yearbook at the reasonable price of \$20.00. For years to come, the Yearbook will provide your family with fond memories that will touch your heart!

Caronport Catchment Update

In summary, there is a K-8 catchment area for Caronport that will receive bus service beginning in the fall. At the same time, Prairie South has removed the dual catchment area that currently exists as part of the elimination of dual catchment throughout the school division.

Prairie South will be in contact with families in the Caronport catchment in the next couple of months as part of the route planning. Thanks for your support as we work through this change! If you have any questions, please do not hesitate to contact Tony Baldwin at baldwin.tony@prairiesouth.ca

REQUEST FOR BUS SERVICE forms may be printed from the attachment or picked up at CES. For those outside of Caronport who require bus service, please complete the form and drop it off at the CES office by June 28th.

CES BUDGET INFORMATION

We would like to make you aware that due to budget reductions we will be asking parents to cost share with some of our activities. This year we made a change to David's Breakfast, where families shared in the cost. As we move into June, teaching staff have planned field trips where depending on the user cost/fee, we may need to cost share with our families. Classroom teachers will make you aware of the details/costs for their planned field trips. As we move into next year we will notify you of any adjustments. This allows us to continue to provide opportunities for all of our students. Thank you for your continued support, it is greatly appreciated.
