11:45	Clarinets	Percussion	Trombones/Tuba	Saxophones	Flutes

WELCOME FALL!

As pretty as this time of year is, it can be a chilly transition for our students at recess. Please remember to have your child dress for the weather with toques, mitts and proper fall attire. It's better for them to be too warm and have the option to remove items that are not needed when we have warmer afternoons than to be cold at the morning recess.

\$519 was raised by the CES students during last weeks' Terry Fox Fundraiser!

Only One More Week to Contribute!

In recognition of **World Food Day**, our school once again is participating in the FCC Drive Away Hunger Program. We would like you to send a food item with your child during the weeks of **October 2 – 12th**.

“ FCC Drive Away Hunger has achieved so much for so many people since its inception. This inspiring campaign

brings together communities to raise food and funds that help thousands of Canadians who are struggling to get

enough to eat. Food Banks Canada is grateful for FCC's continued support in addressing hunger and supporting

the food bank network across Canada.”

Katharine Schmidt

Executive Director, Food Banks Canada

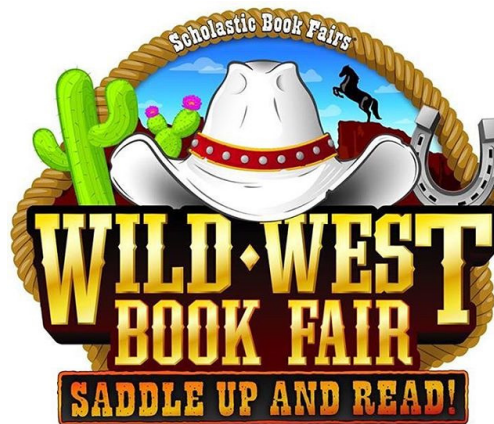

Education Week 2017

October 15 – 21

This year's theme: Building our Future by Learning Together, highlights the role of education in building our future both as individuals and as a province. It also emphasizes importance of a collaborative and inclusive approach to learning.

We are celebrating with the Oct 18th Muffin Morning and the Book Fair.

Get ready to ride
off into the sunset
with a book you
love!

OCTOBER 17 -19

Homework Tips

Kids are more successful in school when parents take an active interest in their homework — it shows kids that what they do is important.

Please have a look at the attachment for some tips to guide the way.
