Orange Shirt Day is on September 30th, 2018

In honor of Orange shirt day, we encourage your child to dress up in orange on September 28th.

Why Orange Shirts?

Orange Shirt Day is a legacy of the St. Joseph Mission (SJM) residential school commemoration event held in Williams Lake, BC, Canada, in the spring of 2013. It grew out of Phyllis' story of having her shiny new orange shirt taken away on her first day of school, and it has become an opportunity to keep the discussion on all aspects of residential schools happening annually.

The date was chosen because it is the time of year in which children were taken from their homes to residential schools, and because it is an opportunity to set the stage for anti-racism and anti-bullying policies for the coming school year. It also gives teachers time to plan events that will include children, as we want to ensure that we are passing the story and learning on to the next generations.

Orange Shirt Day is also an opportunity for First Nations, local governments, schools and communities to come together in the spirit of reconciliation and hope for generations of children to come.

From your School Community Council (SCC)

WE NEED YOU! Please click on [this link](#) or fill out the form sent home with your child today for your opportunity to make CES a better place! Check any items or events (as many as you wish) that you think you could be a part of this year. If you would just like more information how you can assist with any of these areas please do not hesitate to contact a member of the SCC, the school office, or your child's classroom teacher.

Immunization News

Public Health is responsible to for immunizations and follow-up in the schools. Student immunization records are confidentially reviewed each year using the provincial immunization registry called Panorama by authorized public health team members.

During 2018-2019 school year consent forms will be sent to all:

- Grade 1 students requiring completion of Preschool vaccines.
- Grade 6 students requiring Hepatitis B, Meningococcal, Chicken pox or Human Papillomavirus vaccines.
- Grade 8 students requiring final school age booster doses of Tetanus, Diphtheria and Pertussis (whooping cough).

Parents are asked to please complete the consent forms and return to school as soon as possible. For more information on immunizations or Panorama please call Moose Jaw Public Health at 306-691-1500.
