National Family Literacy Day – Sunday, January 27th

At 1:00 on February 8th the SLC is hosting **Andrew Russell** to perform a half hour Christian rap performance for the school. We invite the community to attend for \$5.00 per adult. We will also sell popcorn bags for \$2 a bag. Andrew will take a donation on behalf of the SLC with him to Telemiracle.

CES Staff

Appreciation Week!

Provincial Dental Screening

A Dental Health Educator will be at **Caronport Elementary School** to provide a visual dental screening for grade 1 and 7 students on **Friday February 1st, 2019**.

This screening does not replace your regular dental checkups. The screening is a quick visual look at your child's mouth. The Provincial Dental Screening is done every 5 years for grade 1 and 7 students throughout the province of Saskatchewan. The information collected is used to assess the oral health of children in Saskatchewan and to direct planning/development of preventive program services for your community/school. A note will be sent home following the screening.

If you do not wish for your child to participate or if you have questions, call Jennifer at Moose Jaw Public Health: 306 690-5591.

This year teacher appreciation week runs February 11-15. As one way to show appreciation to our staff we would love to provide meals for them during this week. Basically, a mini "potluck" to thank them for the many hours they give to our students every year. If you can provide a food or baking please send an email to Shelley Wright, SCC chairperson, at shelleylanewright@gmail.com including what day works for you.

Secondly, we'd also like to create large poster board cards for each teacher from parents this year. If you have a message you'd like to send thanking a teacher, please send to the above email, and it will be carefully cut and put into the cards for the teachers. Thank you in advance for helping to make our teachers feel like they really, really matter.

Best,

Shelley Wright
