**Attendance: Joyleen Podgursky, Shelley Wright, Natalie Mullan, Cheryl Crocker, Vanessa Pahl, Andrea Walker, Sandra Catterick, Sabina Wiensz, Andrea Walker, Angela Grondin**

Sandra Catterick: History on the CE curriculum. There is legal paperwork, superintendent, SCC working at the Provincial level on getting CE as a locally determined option. 90% return rate spoke in from parents/ community. Higher response for having CE in the school. Community and staff met and talked/ Dan Gabor resourced it from a school in Alberta. Found that teachers didn't know how to teach it. We want CE as long as we have teachers who can and want to teach it. It has not been taken away; we have given it away because we are conglomerated with Prairie South.
