Student Led Conferences

Many teachers and parents speak enthusiastically about the benefits of student-led conferences. Student-led conferences help students take on that responsibility to own their learning, reflect on what they have learned, and set goals for themselves. Caronport Elementary is offering two approaches to the conferences. One approach is a private conference with a fifteen-minute limit while the other is a station approach where the family has a half hour or one hour slot of time where they can flexibly manage it to their needs. Either approach is meant to be a celebration of student growth and development. If teachers or parents have any concerns, we encourage them to discuss these when they occur and not wait until the Student Led Conferences. You can sign up for the conference time that works best for you at <https://www.schoolinterviews.ca/code?code=r7wpj>.

Please plan to spend some extra time at the school, as our School Community Council (SCC) and Student Leadership Council (SLC) will be asking for your support and participation in a few things. The SCC will be there to help you complete **the OurSchool Parent Survey**. The OurSCHOOL Parent Survey gives you the chance to provide your feedback anonymously into school initiatives. We encourage you to participate so we get a better understanding how you feel the school supports learning, positive behaviour and promotes a safe and inclusive environment. The survey will take approximately 20 minutes to complete. In addition to the **SCC's Vesey's Seeds** and the **SLC's Purdy's Chocolate** fundraisers, we will be selling the **VINTAGE SCHOOL CLOTHING** for only \$5 per item. These are currently available at the school and sold on a first come, first served basis. You won't want to miss your chance to get some of these!

Dear Parents/Guardians,

The SCC is hosting a Vesey's Spring fundraiser. Vesey's is the Premier Canadian company for serious gardeners. You will find beautiful flowers here, both seed and bulbs, as well as some vegetables, that cannot be found in stores; plus, our school makes 50% of the profits from every sale.

Why is this important? The SCC supports our school by raising money for essential things like our reading program. One of our goals is to have all students read at grade level, and one of the ways we do this is through guided reading. We have been actively adding to this program, but it is nowhere near complete. As you can imagine, book sets costs thousands of dollars. Please help us in this endeavour by selling to your family and friends, in addition to beautifying your own garden.

All orders are due: Wednesday, March 27th

*While orders are due at the end of March, Vesey's starts to ship orders in May, after the last frost date.

*Our Student Leadership Council (SLC) is having a **Purdy's Easter Chocolate Fundraiser**. Click this link to order online.*

<https://fundraising.purdys.com/968684-64630> If this link does not work, please go to the link on the Caronport Elementary School website. 25% of all money raised will support the school SLC. Last year, the SLC purchased the couches we have in the library! This online order is available until March 31st. Orders can be picked up at the school on April 12th at the front desk. Thank you, in advance, for your support! Each person who purchases will be entered for a draw to win a chocolate Easter bunny!
