School Clothing Orders at URStore.ca

By request, we have a website where you can create your own school clothing orders. You design your clothing at this website, pay, and have the order shipped to you. The website is <https://urstore.ca/caronport-elementary-school-525027>. The company is having a “Black Friday” event next weekend with big sales. They said our designs will be ready and that your orders would be to you by Christmas if you order next weekend. However, the online store will be running all year for your convenience.

The SCC is hosting our second **annual Epicure fundraiser**. Epicure is a wonderful company that sells food, dips, and goodies that are gluten and additive free. Each choice comes in a beautiful box that makes it perfect for gift giving; plus, our school makes 40% of the profits from every sale.

Why is this important? The SCC supports our school by raising money for essential things like our reading program. One of our goals is to have all students read at grade level, and one of the ways we do this is through guided reading. We have been actively adding to this program, but it is nowhere near complete. We also would love to add an LCD projector and screen to the gymnasium. Please help us in this endeavor by selling to your family and friends, as well as yourself. Happy shopping! An order envelope went home last week with each family.

All orders are due: **Friday, December 6** and will arrive in time for Christmas.
