# Student Led Conferences

Follow this link to sign up for a time to celebrate your child's learning:

<https://www.schoolinterviews.ca/code?code=4c4ku> If a separate

code is needed it is: 4c4ku

There are various times from November 19<sup>th</sup> to 21<sup>st</sup> when our teachers are offering 30-minute slots during which time your child can walk you through the many great things they are learning in class. You may arrive at any time between the beginning and ending time of your slot as you may not need the full 30 minutes for the tour. For those of you with more than one child in our school, feel free to sign up for two classrooms during one time slot. As always, if you need some one on one time with the teacher, you may make time to speak with them throughout the year.

## Guest Author – November 28

Guest author, H.R. Hobbs, is coming to CES! H.R. Hobbs has loved books for as long as she can remember, and it's the reason she became a teacher, and, most recently, a writer. An educator for nearly thirty years, H.R. Hobbs writes realistic fiction and time travel adventures that connect to teens and young adults. A mother to three grown sons and grandmother to three little darlings, she resides with her husband in the small prairie town where she was born and raised. She's the author of The Breaking the Rules Series and the just released Storms and Scarabs the first book in the Time Chasers Series. She will be doing a book reading at 12:05 in the library for anyone (parents and students) who wish to attend.

**Below is the 'Favorite Book List' created  
by students & parents  
for your future reading/Christmas list!!**
