Guest author, H.R. Hobbs, is coming to CES! H.R. Hobbs has loved books for as long as she can remember, and it's the reason she became a teacher, and, most recently, a writer. An educator for nearly thirty years, H.R. Hobbs writes realistic fiction and time travel adventures that connect to teens and young adults. A mother to three grown sons and grandmother to three little darlings, she resides with her husband in the small prairie town where she was born and raised. She's the author of The Breaking the Rules Series and the just released Storms and Scarabs the first book in the Time Chasers Series. She will be doing a book reading at 12:05 in the library for anyone (parents and students) who wish to attend.
