## October 30<sup>th</sup>

At Caronport Elementary, we are on a quest to make the school a Covid-safe & fun place of learning. Our school Student Leadership Council (SLC), with assistance from our School Community Council (SCC), have decided to have a dress-up day on October 30th with a few guidelines. The students can dress up all day in school appropriate black and orange colors or in costumes with the following stipulations:

- No evil or villainous costumes
- No props (ie. A teddy bear for a bedtime costume or weapons of any sort)

The SLC has also purchased wrapped candy that will be handed out as the students leave the school at days-end. Let your child know if you would prefer them to bring this candy home for the recommended 72 hour wait-time as recommended by the province. Follow [this link](#) to read the guidelines.

## Meet Our New Staff!

“Hi! I’m Raeleen Tenaschuk. My family relocated to Moose Jaw last year because of a military posting assignment. I have two wonderful sons that have inspired me to return to post-secondary education to obtain the necessary qualifications and skills required of an Educational Assistant. The last few years have been dedicated to academia, and I continue to learn through the hands-on process of practicums. As a new member of the Caronport Elementary team, I am committed to providing positive behavioral and academic support to students. In addition, I hold a B.A. in Psychology which has increased my understanding of child development and enhanced my ability to provide appropriate emotional support. I look forward to facilitating the individual learning process and celebrating the success of each student!”

The **Caronport Skating Club** is excited to start a new year!

We will be running our CanSkate and StarSkate programs starting this Friday October 23 at 4:00

And it's not too late to join!

You can go to the Caronport Rec Board page to register and get complete details.

<https://caronportrec.com/>

Due to CoVid there are of course some limitations: Your skater will have to be able to get up on their own and everyone on the ice will have to sign a CoVid waiver form for Skate Canada

We are thrilled that we can have skating at all and hope that many of you will take advantage of this opportunity!

Sharing some photos from our celebration screen as you are not able to come in to see them!
