The onset of winter is reflecting the solemnity of the time of year. In schools, November is a reflective month where we evaluate student learning to write their fall report cards. We also spend time in our classrooms discussing Remembrance Day and helping our students understand the great sacrifices our veterans made in the past and the role the current peacekeepers make. This year certainly was a different ceremony than in past years. You will see some photos of the students hanging wreaths at the school. A special thank you to our School Community Council Member, Sheila Webster, her daughter, Hannah Lenz, and grade 5 teacher, Lisa Galbraith, for their contributions to the online presentations for each classroom. Lest we forget.

Our first round of Student Led Conferences will be held over Zoom this year. Please sign up for your time on School Interviews and keep your Zoom link handy for your appointment. I suggest you join a few minutes early to ensure everything is working. You will be held in a waiting room until the teacher is done the previous conference. Since this is new for all of us, I am sure there will be a few kinks to work out along the way. We appreciate your patience and feedback as we work through them.

Finally, please remember to ensure your child leaves for school dressed for the weather. A few key things to check are the daily forecast and that they have layers to adapt, as necessary. Students will be expected to go outside for recess unless the wind chill reaches -27 degrees Celsius or colder.

Meet Our Staff!

Mr. Loveridge

My name is Brandon Loveridge. I live in Moose Jaw with my wife Janelle, Daughters Emberley and Scarlett, and puppy Harley. I Graduated from Dickinson State University in North Dakota where I played baseball and completed my teaching degree. I have been

teaching for 10 years and this is my 6th year at CES. I currently teach all the Physical Education classes at CES and I am the Athletic director. I also get to work with a variety of students and support their learning through my intervention time. I am excited to be back in the building working with all our wonderful kids and families this school year!

My name is Cindy Smith. I have been teaching for 10 years now. I have taught almost every grade from Prekindergarten to grade 8. I teach grade 3 and I have to say that is my favorite grade. I taught at Caronport Elementary 8 years ago for a while and then went into the city. I am so ecstatic that I made my way back here at Caronport Elementary. I usually run the Garden Club because I love gardening. I have two daughters Hailey and Emma. We also have 4 cats and 2 dogs. I also enjoy running and spending time with my family.

Below are some photos from our Celebration Screen for you to see. Enjoy!
