Please ensure your log-in information is working now so that you have access on that date. See the information below or contact the school if you need help getting into the system.

Student Led Conferences will be held over Zoom this semester. Please sign up for a 15-minute time slot on November 19th, 23rd or 24th between 3:30 – 6:45 on School Interviews. An email will be sent out once School Interviews is set up. Some teachers may have other time options as well. If you struggle with the technology, please contact your child's teacher to make a phone appointment.

We certainly had a challenging week with a confirmed Covid case at our school. The behind the scenes work with Public Health and our Superintendent of Schools was smooth and efficient to ensure the safety of all our students, staff and families. The teachers have prepared to have work online for student success while staying home as a precautionary measure. Thank you for your communication and support as we navigated through this situation.
