With the Christmas season upon us, we are trying to have some fun while following Covid Guidelines. Some of the teachers may organize a gift exchange and have found a way to ensure we are following best practices like our library books. Any gifts brought to school will be placed in a bin or a segregated area to sit for 24 hours before anyone touches them. We still ask that students refrain from bringing personal items to school but we will allow this in hopes of spreading some holiday cheer. Also, the SLC will be giving away candy canes at the end of the last school day. We will ask the children to keep them in their backpacks for the recommended 24 hours before eating them.

The virtual Student Led Conferences seemed to be successful. Some of the positive feedback included the prepared student presentations and the chance to connect at a “personal” level. Remember that you are always welcome to meet with any of us to discuss concerns or successes throughout the school year.

Meet Our Staff!

My name is Lisa Haley. This is my 4th year here at CES, working as an Educational Assistant. I grew up in Central Butte and Riverhurst is where I call home, with my husband Rod. We are very fortunate to live 5 minutes from the beautiful Lake Diefenbaker! We have 2 children who live very close by; our son Tighe is 31, he runs our cattle business with us and is a mechanic. Our daughter Jessica is 28, and she is an OR nurse in Swift Current. She and her fiancée live on the family ranch not far from us, with their 2-1/2 year old bundle of energy, Asher. (The light of our lives ❤️!)

Hi all! My name is Chelsea Peters, and I am one of the Student Support Teachers (SST) at CES. One of the reasons I love my job so much is that I get to work with students one-on-one or in small groups. This way I get to really know the students as unique individuals, and how to help them grow into their true potential. I grew up in Caronport for most of my life and am happy to be back as a community member! I like going on long walks with my dog, listening to music, reading new books, and drinking hot chocolate.

Below are some photos from our Celebration Screen for you to see. Enjoy!
