Principal's Report

Welcome Back Bulldogs!

They say that raising kids is the most important job that any of us will ever have and if this is true then you should all give yourselves a big pat on the back for going the extra mile over the past few months – job well done.

I would be remiss if I did not begin this year by drawing attention to the dedicated, inspiring, thoughtful, smart, and caring staff of Central Butte School who have worked tirelessly to transform the school from what it was, to what it has become. My job will be to try to keep up with the pace that the staff has already set and in doing so I am committed to: greeting students every morning with a smile and a warm welcome, do what I say I will do by taking responsibility for holding up my end of our bargains, take time everyday to laugh with students and appreciate the small moments that often matter the most, learn from my mistakes and applaud others for learning from theirs, and last but not least to end each day looking forward to the next one.

As we began making plans for the year ahead the staff recognized that there were two important things that we would want to focus on moving forward – the first goal we identified was to ensure that our students are feeling safe and comfortable with the return to school. We recognize that ‘back-to-school jitters’ are normal but this year things have already felt a little different therefore, we are going to dedicate time every week, through our ‘Monday Mindfulness Moments’, to help students learn the importance of paying attention their own mental health wellbeing. The second goal is connected to reading, and the importance of engaging students early and often in the thrill of a good book. Watch for more information on our ‘One School, One Book’ and our ‘Drop Everything And Read’ initiatives.

And finally, on behalf of the staff I would like to thank the students, parents, and community for the support and encouragement as we work to make the 2020-2021 school year the best year ever. We know there will be bumps in our road but we are getting pretty comfortable taking these roads that are “less traveled by” and all our hard work does seem to be making a difference.

Take care,
Sandra Baldwin

**WELCOME BACK,
BULLDOGS!**

Please remember to call the school at **796-2124**
or email school.central-butte@prairiesouth.ca if
your child will be absent.
