## Principal's Message:

I hope you all had a wonderful summer. I also hope you are relaxed, recharged, and ready to start a new school year. I am so delighted to be a part of such an amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you.

All signs are pointing to an incredible and productive school year. Our skilled and devoted staff are busy planning and preparing for the return of students. Our enthusiastic administrative assistant is busy setting up accounts, registering new families, and updating student files. Our hard working and conscientious custodians have spent the entire summer thoroughly cleaning the facility and making it look amazing. We are a joyous and caring community with the common goals of nurturing and caring for students, and promoting high-level learning.

Each year brings forth positive change. This includes a few additions to our staff. We are delighted to welcome Mrs. Daisy Jean covering for our Sr. Science program, Mrs. Tanya Frisk-Welburn teaching Sr. Math, Mrs. Shayla Froehlich covering for our Student Support program, Mrs. Leesa Setrum our new Administrative Assistant, Mrs. Donna Pearson our new Library Associate, Ms. Sabrina Cristensen our new Educational Assistant and myself, Mr. Nate Beselaere as Principal of Coronach School. I am thrilled to be working alongside such a wonderful team here at Coronach School.

Alongside our new staff are some new upgrades to the school. We have installed new water bottle filling stations in the hallways, all new hand towel and soap dispensers, and have received all new computers in the school.

Thank you to all who are helping prepare for the new school year. Your commitment to ensuring that Coronach School remains a celebrated and successful school is inspiring. I eagerly look forward to greeting students and families in September. It is an honor and privilege to serve as your principal. Please feel comfortable to contact me with any concerns or questions that you have throughout the school year. Together, I know we will make this school year one of growth and achievement for all.

Cheers,

Nate Beselaere  
Principal
