

Coronach School News

Principal's Message:

It is hard to believe that September has ended and October is already here. I hope that we get a few more weeks of fall weather before the snow arrives. That being said, just a friendly reminder that it is getting colder out so students should be dressing appropriately (jackets, mitts, hats etc.)

September at Coronach School was a very busy month. We kicked off last month with our Open House/ BBQ. We appreciate the wonderful turnout. It was great to see so many students, families, and community members help us celebrate our school and learning community. We also had our annual Penny Parade event and Terry Fox Run. Thanks to the students who raised money for such a worthy cause. Thanks as well to our SCC members and community volunteers for collecting donations and working our Penny Parade. Lastly, thank you to the staff, students, and community members that actively participated in the Terry Fox Walk. School and community events are wonderful ways to connect with one another and to share celebrations and successes of the wonderful things that are happening around us everyday. If you have ideas to actively engage school and community please let us know. We always welcome ideas that will foster growth, involvement, and engagement of our school learners.

In addition to the major events within our school, we have also had a couple presentations this past month. We welcomed QSP Magazines in again to talk about how students can get involved and help fundraise. We also had Brett Young into our school to discuss career pathways and opportunities for students once they graduate and leave secondary school. If you ever have any questions or concerns about the future of your child(ren) after graduation please feel free to call or set up an appointment at the school.

Looking ahead, we have a very exciting month happening. We have two major presentations booked for our school. One presentation on anti-bullying for our K-8 students and another presentation on gambling awareness booked for our 6-12 students. We also will be celebrating Education Week with a variety of special events each day. Please refer to our events calendar for more details surrounding this important week. Lastly, we will be having a couple of special food days – BBQ hamburger sale and ice cream sundae sale as well as special student events to celebrate Halloween – costume parade, food fear factor challenge, pumpkin decorating challenge. In the end, we hope this month is full of a lot of laughter, learning and, excitement.

Cheers,

Nate Beselaere
Principal
Coronach School
