

Coronach School News

Principal's Message:

A fresh new year is once again upon us. It is the time to be thankful for the blessings of the past year and to think about all of our achievements. At the same time, this is a brand new year to start afresh, to start strong, and yet another chance to achieve our goals.

As I reflect on the past year, there have been so many wonderful things that have happened within the walls of our school. As we geared up for Christmas holidays, one of the busiest times of the year, I was amazed to see everyone come together and work so hard to celebrate the season. The students and staff did a wonderful job with the Christmas concert. It was so wonderful to see so much talent. From the artistic murals on the walls to the creative performances displayed on stage, the evening was a success.

The students also took part in an amazing last day before Christmas break. During the last day, the students performed and served at the senior's tea, which was very well attended. It was so wonderful to see everyone come out for this event. In addition, the students celebrated the remainder of the day with their Christmas supper, building and decorating gingerbread houses, and going throughout town on a sleigh ride singing Christmas carols. It was truly a wonderful last week building up to the holidays and I want to thank everyone who helped make each event last month successful. I would also like to thank our SCC for their generous contribution. Before the students left for Christmas break, each student received a personalized book that was personally chosen and purchased by our SCC. Thank you for for taking on so many wonderful initiatives throughout the school year. The students and staff really appreciate everything that you do throughout the school year.

Moving into January, we have another busy month ahead of us. We will be welcoming Ken Ducek into our school for a few days. Ken is from the Mackenzie Art Gallery and facilitates the provincial touring artists and exhibitions program. This program corresponds to the visual arts curriculum and is adapted for all grade levels. While here, the entire school will participate, learning about a variety of art concepts, styles, periods, subject matter, and media.

We are also finishing semester one for our high school students. Exams will be happening from January 23-January 28. The start of semester two will begin on Wednesday, January 30th. We want to wish all of our senior students the very best as the start preparing for these exams. Report cards will be sent home February 01, 2019 for all students in Grade 9-12.

In closing, with the new year upon us I want to wish you 12 months of success, 52 weeks of laughter, 365 days of fun, 8760 hours of joy, 525600 minutes of good luck and 31536000 seconds of happiness. Make 2019 your year!

Cheers,

Nate Beselaere
Principal
Coronach School
