

Coronach School News

Principal's Message:

I cannot believe that we are already in May. Only two short months left of school and then it is summer. Since it is May, we are gearing up to celebrate our graduates. This group of five (Ethan Korbo, Karsten Elder, Kurtis Bonneau, Mekhi Rousseau, and Peyton Gent) will be graduating the first weekend in May, Saturday, May 04, 2019. Commencement ceremonies start at 7:00PM and will be held at the Coronach Sportsplex. We look forward to seeing everyone in the community come to this special event.

April brought us some wonderful spring weather and summer heat temperatures. It also brought us the worst snowstorm this winter has seen in its very last week. What a weird and crazy place we live in but I would not change it for anything. Along with April's changing weather, we had a variety of activities and events within the school. First, we celebrated green day in support of the Humboldt Bronco's Organ Donor Awareness Day. Thank you to all of the staff and students who came to school sporting their green clothing and accessories. It almost felt like we were at the Rider stadium – almost.

The following week the staff and students were busy getting ready and performing at Music Festival. I want to thank all the teachers and volunteers who participated in this year's festival. I also want to congratulate all of our students who performed. Everyone did an amazing job and should be very proud of themselves. During the same week, Mrs. Pearson, our school librarian, also organized a Read-A-Thon. We are still collecting pledges from students but by the looks of it, our students were very busy over the spring break helping support this event.

Our last big event of the month was the last day before Easter. We ended the school day with an Easter egg hunt put on by Mrs. Gagne and our student council members. Thank you to this wonderful group for always organizing and initiating fun new ideas for our school community. That same day we also surprised one of our own, Mrs. Spagrud, who will be retiring at the end of this year. The school held a community BBQ fundraiser to help support the effort to replace our outdoor basketball court. What followed was a surprise alumni basketball game that was hosted for Coach Spagrud. We would like to thank everyone in the community that came out to support these events. We would also like to send a huge thank you to everyone who helped contribute and made donations towards the basketball court and/or the retirement banquet. Lastly, we would like to recognize and thank Mrs. Spagrud for everything that she has done over the years and the contributions she has made to Coronach School. You will be greatly missed but I have a suspicion that we still might have you around in some capacity next year. Enjoy your retirement and we look forward to all of your new Instagram posts from the many more holiday adventures you will surely be taking.

Looking into May, we have a few events that we are looking forward too. First of all, we have Teddy Anderson visiting our school to do Hoop Dancing for our Kindergarten to Grade 6 students. As previously mentioned, we will then have our graduation ceremonies the first weekend of May. The following week we will help, volunteer, by participating in a Clean Up Community Day, which is sponsored by Tim Hortons. Students from Kindergarten to Grade 8 will spend some time cleaning up our community. The community clean up event will be competitive in nature and the school team that collects the most garbage will earn a reward. We really are proud of our community and want to help make it the best Saskatchewan small town in the province. Another special event the school is excited about is the Jody Carrington community event. Earlier last month the entire staff went to a professional development opportunity that was incredible. We left with such positivity and energy that we wanted to bring this event to the town of Coronach. The evening is planned to be both entertaining and a learning opportunity. This event is designed to be for everyone so clear your calendars and join us for a night out on us. Lastly, we will be ending the month with our 5K Challenge and Carnival event. More information about this event will be posted, as it gets closer.

Well again, thank you to all of our students and families for everything you do and continue to do to support our school community. As we move into May, let us continue to grow together and work to support our children be the wonderful, unique, and talented individuals they are.

Cheers,

Nate Beselaere
Principal
Coronach School
