

Coronach School News

Principal's Message:

Looking back, May was filled with several highlights. At the beginning of the month, we welcomed Teddy Anderson (OSAC) who presented Hoop Dancing to our students. It was a very entertaining presentation and enjoyed by all staff and students. As the week continued, we celebrated our graduates at this year's commencement banquet and ceremony. The Coronach Sportsplex was decorated beautifully and our graduates looked stunning. It was so wonderful to see the entire community come out to celebrate our students. As the month progressed, the school actively participated in the following: Tim Hortons sponsored Community Clean Up, Battle of the Books Challenge, and 5K Challenge/Carnival. We also had a number of our senior athletes represent our school in Moose Jaw for Track and Field. Needless to say, as usual, we had a lot going on.

In addition to all that went on, I would like to thank a few special people this month. First, I would like to thank Trevor and Brandy Schnell and family for their contribution when they hosted a BBQ lunch that was open to staff and students. This fundraiser contributed greatly in the efforts to renovate our outdoor basketball court this summer. Thank you greatly for your generosity. I would also like to extend a huge thank you to everyone (local businesses and school/community volunteers) who helped with our Jody Carrington parent/community evening event. It was another terrific opportunity to bring school and community together. This event allowed us to learn, grow, and laugh - a lot - together.

As I look forward into June, I cannot believe another amazing school year has gone, however, everyone should be very proud of the hundreds of memories we created this year and that will be cherished forever. Going big means to put your entire heart and soul into everything that you think, say, and do and you all certainly did that this year. Being in school is not only about getting grades, it's about finding out who we are, what we're made of, and taking on all of the possibilities that exist when we work together and give each other total support. I want to wish each and every one of you my sincerest congratulations, for being the best that you can be in learning, in friendships, athletics, arts, celebrations, and most importantly, during tough times.

I cannot thank everyone enough for your endless hours of volunteering, chaperoning, reading, organizing, donating and doing whatever was necessary to support students—both at home and at school. A special thanks to our SCC who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience. That experience could not occur without the endless energy, skills and devotion of the Coronach School staff. Thanks and well done to an incredible group of professionals.

A final word to the students of Coronach School: Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud to be a Coronach Colt. You keep me laughing and young at heart. I am grateful for your joy, clever insights and amazing talents. Best wishes to our graduates, whom we will miss greatly—please come back and visit. I wish everyone a safe and happy summer break and look forward to next years new and exciting adventures.

Until next school year, here's wishing you love, laughter, and learning.

Cheers,

Nate Beselaere
Principal
Coronach School
