COVID-19 Update
March 16, 2020

Coronach School Families

Starting Tuesday, March 17, 2020 students grade 8-12 are not able to attend school. The only exception to this is students who are unable to care for themselves independently. Families with a child(ren) who are in grades PreK-7 are being recommended to stop sending their child(ren) to school as soon as childcare arrangements can be made. Thursday, March 19, 2020 will be the last day that the school will be open to all students and that transportation services (buses) will be running. If your child(ren) have left items at the school that they will need at home please report to the office between 8:30-3:45 before Thursday to pick them up.

The Just Bake It fundraiser goods are still going to be delivered to the school tomorrow afternoon, Tuesday, March 17, 2020. A group of staff will be working in the afternoon to organize and make arrangements with individuals to either pick up orders at the school or have them delivered to your home.

We understand this is a challenging time for all of our families and students and will remain communicating and supporting you along this journey. Please follow our Facebook page regularly and check your student/parent emails for further updates. Should you have any immediate questions or concerns please call the school at 1-306-267-2210.
