Telephone: 306-267-2210

Website: <https://schools.prairiesouth.ca/coronach>

Dear Coronach School Community,

What a year it has been! We have all faced things this year that we never thought would happen. But through it all, we had a staff here at Coronach School that continued their high level of dedication to the school and expectations for the students. We also had our wonderful students and families working together like never before. Now it is September – the start to a new school year and we are so excited to welcome you back. It has not been the same without you. Each and every one of you have an important role in our school and contribute to making it wonderful. Moving forward, who knows what September is going to bring. At the beginning of all of these changes I was the optimistic one thinking students would be back in April, so don't ask me what is going to happen. What I do know is that we are all in this together and we will get through this together. "Let's give this school year the opportunity to be awesome. Don't throw a label or judgement on it before it begins. It may just surprise us in big beautiful ways". This year, as a school, our priority is safety for everyone. We want you to feel safe sending your children to school and we want your children to feel safe while they are here. In terms of everything else happening in and out of our building this year, please know that we may not always have the answers but we are confident in what we do and know that your children deserve the best. For now we are staying safe and simple. We are focusing on what we can control and will make changes as needed and continue to move forward. I wish you all a wonderful last week of summer holidays and can't wait to see you next week.

Cheers,

Mr. N. Beselaere

Prairie South Priorities

Priority One: Safety, Cleaning and Hygiene

Priority Two: Parent and Family Engagement

Priority Three:
#learningtogether for All Students

Priority Four: Student Engagement Beyond the Classroom

Priority Five: School and Community Management

“We’re in this together.”
“We’re learning together.”
“Together we’re going to be okay.”

School Arrival

Students will not be allowed to access the playground before the start of school. Students are to be at school between 8:30-8:45. Students will be assigned designated doors to enter the building. Each door has a sanitization station.

Lunch & Nutrition

We have extended our lunch break from 12:20-1:10. If students are able, they are encouraged to leave the building over the lunch hour. There will be no access to canteen, microwaves, and daycare meal program (for non-daycare students). Students will be delivered a nutrition snack daily.

Dismissal

We are asking that parents/guardians wait outside (parking lot or side street) to pick up their child(ren). All exterior doors to the school will be locked except for the main entrance between 8:45-4:00.

Masks

Due to the number of students entering and exiting our building, masks will be a requirement for students Grades 3-12 as they enter, leave and travel in the hallways and common areas (washrooms, library, computer lab.) Students grades Pre-Kindergarten- Grade 2 will not be required to wear a mask but school staff will support students wanting to wear a mask. As per the directives sent out by Prairie South last week, masks must be worn in all locations occupied by 15 or more people (at Coronach School this is all classes).

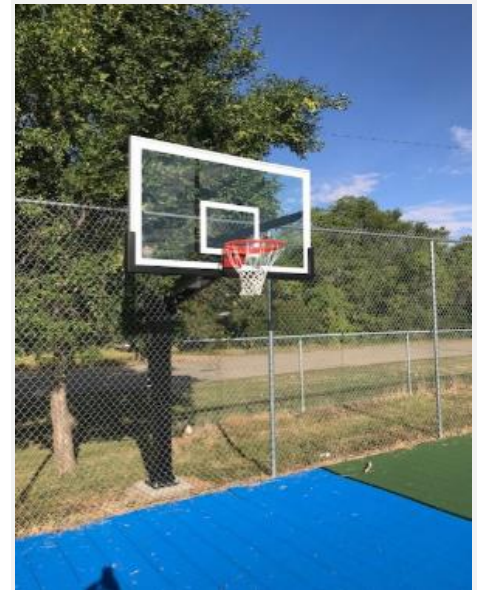

Entering and Exiting the Building

To minimize contact between student cohorts, when entering the building students should report directly to their morning or afternoon classes. There will be no before, noon, or afterschool programming, so students are expected to leave the building following dismissal.

School Upgrades and Renovations

New Basketball Nets

New Sidewalks

Public Access

Currently, we are limiting public access inside the building and require visitors to sign in and wear a mask. We strongly encourage the use of phone or email to contact the school. Meetings will be scheduled virtually.

School Materials

The school sent out a letter earlier in August indicating that the school would be purchasing school supplies for the students to start the new school year. We ask that the minimal be brought to school. For math courses a calculator will need to be purchased. For Physical Education classes appropriate gym wear and indoor shoes should be brought to school.

My School Sask (MSS)

The student and parent portals have been opened for the 2020-2021 school year. Parent and student logins will remain the same but passwords will be reset. Emails with updated password were sent out earlier this month. Please contact the school if you are having difficulty accessing MSS.

School Fees

Normal school activity fees will be collected by the school. Each student (Pre-Kindergarten-Grade 12) will be required to pay \$15.00. You can pay fees by cash, cheque (payable to Coronach School), or online at <https://prairiesouth.schoolcashonline.com/>

School Photo Day

Expressions Photography was scheduled to take school pictures on Wednesday, September 23, 2020 (Grades K-12). Pre-Kindergarten students were going to be scheduled on picture re-take day. Due to the circumstances of this year pictures have been cancelled until further notice and will be rescheduled if they are unable to happen by September 23, 2020.

Extra-Curricular Activities

Although extra-curricular activities are an important component to our school, they are being put on pause until we can manage them safely. We will share information with you once we have more details.

School Upgrades and Renovations

New Bottle Fill Stations & Fountains

New Paint - Hallways & Doors

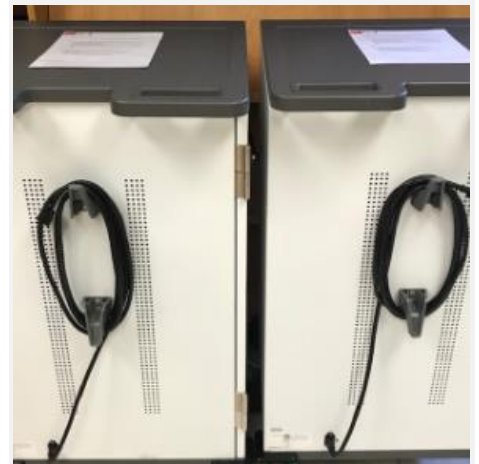

Under Construction

From August-January the school will be under construction. We are having all new lighting installed throughout the entire school and a large majority of school is receiving new ceilings. The construction crew will be utilizing the main hallway that parents usually access daycare. Families who utilize daycare services will be unable to access the front school entrance. Families are being asked to go around the building and use the side daycare doors. The new lunchroom and weight room will also not be accessible during this time. Most of these restrictions would have been occurring this year regardless of construction due to COVID-19. We apologize for any inconvenience this may cause.

School Upgrades and Renovations

New Chromebooks (20)

New Hallway Bulletin Boards

Wednesday, August 26, 2020

Coronach School

121 First Ave West P.O. Box 120
Coronach, Saskatchewan S0H 0Z0
Telephone: (306)267-2210

Coronach School strives to be a place where individuals are encouraged to develop intellectually, physically, emotionally, and socially in a positive, trusting, and caring environment. Our school will foster the development of lifelong learning by offering all students education that meets their individual needs. It will provide the opportunity for students to attain their highest potential through the co-operative efforts of staff, students, parents, and community.

Remote Learning Opportunities...

If your child is unable to attend school, we will support them at home. Each of our classrooms has a Zoom video feed available so that your child can attend class with all of their classmates virtually when they need to! All teachers will be using online materials for easy access on your child's device at home.

Student Cohorts...

Schools are different from other public places because we get the same group of students every day. At our school, student groups, or cohorts, will learn, play and eat together, and contact with other cohorts will be minimized. Recess and lunch schedules will look a bit different and student movement around the school will be controlled to keep cohorts apart.

Contact Tracing...

Our teachers and bus drivers will have seating plans so that we are able to quickly identify close contacts at school. Our log of essential visitors means we will know exactly who was in the school and when. Non-essential visitors and deliveries will not be allowed in the school.

Help From Parents and Caregivers...

We need your help! Extra support from parents and caregivers will ensure a successful year for all students:

- ✓ Don't send your child(ren) on the bus unless you can't drive them that day.
- ✓ Arrange for your child(ren) to come home for lunch when this is possible.
- ✓ Reinforce the need for good hand hygiene at home.
- ✓ Don't send sick children to school.
- ✓ When the school asks you to pick up your child(ren), come immediately to pick them up.
- ✓ Make sure your child has a small bottle of hand sanitizer and a reusable mask (grades 4-12).
- ✓ Gr. 3-12 Coronach School
- ✓ Communicate with us by telephone, text or email rather than coming to the school.
- ✓ If your child(ren) are learning at home, help them when they need support.
- ✓ Let us know what we can do to support your child(ren) and your family!

**Our school's plan for re-opening on September 8, 2020.
We can't wait to be #learningtogether!**

Emotional Support...

Children will respond to the transition back to school in different ways, and each of our classrooms will have additional programming to support children who have been away from school since March. Let us know if your child is having a difficult transition back to school. We can help!

Responding to Illness...

Children or staff who are sick will not be allowed at school until they have been symptom free for 48 hours or are confirmed to be COVID-19 negative. Our school has an isolation room and PPE available in the event that a child gets sick while at school. Through our Superintendent, we are working with the Saskatchewan Health Authority to ensure testing is available when needed.

Enhanced Cleaning...

Our facilities staff will be doing additional cleaning at our school. In addition to regular cleaning, we will be sanitizing all high touch areas at least twice daily. Every classroom has sanitizing supplies in place, and teachers will help students learn how to keep their individual spaces clean and safe. Materials that can't be cleaned regularly have been removed from our classrooms. Caretaking schedules will be adjusted to meet the needs of our school, and we have additional cleaning support available from Prairie South if we need it!

Focus on Hygiene...

All of our washrooms with air dryers have had paper towel added so that students can practice safe hand washing. Every classroom has its own supply of hand sanitizer in addition to the personal bottles that students will bring, and our teachers will be implementing regular hand hygiene practices in every room. Hand hygiene before and after activities will ensure the safety of our students and staff.

Prairie South Schools 210 Learning together.

1075 9th Avenue North West, Moose Jaw, SK S6H 1V7 P 306.694.1200 1.877.434.1200 F 306.694.4955 prairiesouth.ca

Prairie South Schools Mask Protocol 12 August 2020

Group	Mask Protocol
Grades PreK to 3 Students	Masks are not required. Parents may choose to provide masks for their children and school staff will support their use as practical during school hours.
Grades 4-12 Students	Masks are required during indoor transitions (hallways, bathroom visits, etc.) and on the school bus. Masks are required in classrooms where 15 or more staff and students are present.
Grades PreK to 3 Classroom Staff	Masks are not required in the classroom. Staff may choose to wear a mask. Masks are required during indoor transitions (hallways, bathroom visits, etc.)
Grades 4-12 Classroom Staff	Masks are required during indoor transitions (hallways, bathroom visits, etc.). Masks are required in classrooms where 15 or more staff and students are present.
Non-classroom staff and visitors to the school	Masks are required when students are present in common areas and during indoor transitions. Masks are required in classrooms when visiting multiple student cohorts. Staff may choose to mask at other times.

Exemptions

1. In circumstances where students of any age require physical support, PPE (including masks) may be used at the discretion of the student support team planning for that student.
2. Students and staff with a medical condition that makes mask use inappropriate or unsafe are exempt from this protocol.

Coronach School Plan

1. **Scheduling (beginning of day, recess and breaks, lunch):**
School times are 8:45am to 3:41pm (updated schedule will be provided). Students will not be allowed to play on the playground before school starts. When students arrive to school in the morning, they will enter the school through their designated door and go to their homeroom classroom. Students recess and lunch breaks will be staggered.
2. **Entrance and Exit Doors:**
Pre-Kindergarten: students will use exterior classroom door.
Grades K-2: students will use front of school secondary entrance (north entrance)
Grades 3-6: students will use playground doors (west entrance)
Grades 7-8: students will use front of school main entrance (north entrance)
Grades 9-12: students will use student parking entrance (east entrance)
3. **Pick-Up and Drop-Off Procedures:**
Students will need to sign out/in at the office before leaving or entering the building outside of regular schedule. Students will leave/enter school through the main entrance (north entrance). All other doors will remain locked. Parents are being asked to communicate with the school by calling the main office and stay outside when picking up or dropping off students.
4. **Supervision – Playground/Shared Spaces:**
Students will remain in their student cohorts and supervisors will be present. Additional supervision at doors will be present (to reduce physical contact).
5. **Storage Areas/Lockers:**
Each student (Gr PreK-6) will be assigned a separate classroom storage cubby or large plastic closed container so that personal items are separate from other students. Each student (Gr 7-12) will be assigned a top and bottom locker and school lock for personal items.
6. **Staff Contact Information:**
Please visit our school website for a list of current staff members:
<https://schools.prairiesouth.ca/coronach/staff>
Staff email addresses are lastname.firstname@prairiesouth.ca
7. **Split Classroom:**
Since our grade 3/4 students are in the same cohort and have the same teacher both grades will be required to wear a mask at school.
8. **Nutrition Programs:**
Students will receive a nutrition snack daily during first period. Snacks will be delivered to each cohort by their first period teacher.
9. **Lunch/Microwaves/Canteen/Daycare Lunches:**
It is recommended that students go home for lunch. Students who are unable to go home for lunch will be eating lunch in their homeroom classroom. The school canteen, the use of microwaves, and daycare lunch program (for non daycare students) will not be accessible to students.
10. **Extra-Curricular and Intramurals:**
These activities will be put on pause until we can manage these activities safely.

Coronach School
School Community Council
Annual General Meeting and Elections

A general meeting for the purpose of presenting an annual report and to hold elections for the School Community Council of

Coronach School

will be held on

Monday, October 05, 2020 at 7:00PM

at

Coronach School

School Community Council Administrative Policies developed by the Board of Education regarding the elections can be viewed under the schools tab, School Community Councils section on the Prairie South Schools website: www.prairiesouth.ca

Parents and guardians of students attending Coronach School and School Division electors residing in the school catchment area may stand for election to the School Community Council and vote in the elections. The School Community Council is comprised of five elected parent and community members. Elections are being held to fill **one** of these positions.

Nominations of parents and community members interested in standing for election must be submitted on the official form and will be received up to the time of the election. Nominations are available from **Coronach School** and can be returned to **Coronach School** prior to the election or be presented at the election.

Contact: School Returning Officer – Leesa Setrum at 1-306-267-2210
