**Monday, February 29<sup>th</sup> was LEAP DAY**  
at Kincaid Central School!!! The entire school population participated in Big Guy/Little Guy activities during period 5. The activities started with older and younger students reading to each other. The K-5 received a "Certificate of Recognition" for 'Leaping into Reading'. Students then got a chance to 'leapfrog' across the gym, 'limbo' with noodles, make origami frogs, and have a special green treat afterwards.

The staff also received a take-home gift of a hot/cold pack and muffins from SCC members. We were very spoiled ☺

**THERE ARE ANTS ON THESE LOGS!**

Mrs. Loverin and the 2's & 3's made a scrumptious nutrition snack on Thursday, February 25th. Celery, filled with peanut butter and topped with raisins really made our day, and was healthy to boot!!
