

Questions About Kids and Substance Use?

Five Hills Health Region & Moose Jaw Police Service present

GET THE FACTS: CURRENT DRUG TRENDS

Sunningdale School April 4th, 2017 @ 6:30 pm

Are you interested in learning the facts about drug use in your community? Do you want to know the current drug trends in Moose Jaw and the things your kids may be seeing or hearing about? There are a lot of misconceptions and inaccurate information out there. We would like to provide you with the facts so that you can be equipped to have open and honest conversations with your kids.

Please plan to attend a Community Information Night on Tuesday April 4th at Sunningdale School. Staff from Mental Health & Addiction Services and the Moose Jaw City Police will be talking about current drug trends among Moose Jaw children & youth, ease of access to drugs in our community, and available community support.

The presentation will begin at 6:30pm. There will be plenty of time for questions and comments to follow.
