Grow To Be The Best You Can Be

Remote Learning Opportunities...

If your child is unable to attend school, we will support them at home. Each of our classrooms has a Zoom video feed available

so that your child can attend class with all their classmates virtually when they need to! All teachers will be using online materials for easy access on your child's device at home.

Student Cohorts...

Schools are different from other public places because we get the same group of students every day. At our school,

student groups, or cohorts, will learn, play and eat together, and contact with other cohorts will be minimized. Recess and lunch schedules will look a bit different and student movement

around the school will be controlled to keep cohorts apart.

Contact Tracing...

Our teachers and bus drivers will have seating plans so that we are able to quickly identify close

contacts at school. Our log of essential visitors means we will know exactly who was in the school and when. Non-essential visitors and deliveries will not be allowed in the school.

Help From Parents and Caregivers...

We need your help! Extra support from parents and caregivers will ensure a successful year for all students:

- ✓ Don't send your child(ren) on the bus unless you can't drive them that day.
- ✓ Arrange for your child(ren) to come home for lunch when this is possible.
- ✓ Reinforce the need for good hand hygiene at home.
- ✓ Don't send sick children to school.
- ✓ When the school asks you to pick up your child(ren), come immediately to pick them up.
- ✓ Make sure your child has a small bottle of hand sanitizer and a reusable mask (grades 4-12).
- ✓ Communicate with us by telephone, text or email rather than coming to the school.
- ✓ If your child(ren) are learning at home, help them when they need support.
- ✓ Let us know what we can do to support your child(ren) and your family!

Our school's plan for re-opening on September 8, 2020.
We can't wait to be #learningtogether!

Emotional Support...

Children will respond to the transition back to school in different ways, and each of our classrooms will have additional programming to support children who have been away from school since March. Let us know if your child is having a difficult transition back to school. We can help!

Responding to Illness...

Children or staff who are sick will not be allowed at school until they have been symptom free for 48 hours or are confirmed to be COVID-19 negative. Our school has an isolation room and PPE available in the event that a child gets sick while at school. Through our Superintendent, we are working with the Saskatchewan Health Authority to ensure testing is available when needed.

Enhanced Cleaning...

Our facilities staff will be doing additional cleaning at our school. In addition to regular cleaning, we will be sanitizing all high touch areas at least twice daily. Every classroom has sanitizing supplies in place, and teachers will help students learn how to keep their individual spaces clean and safe. Materials that can't be cleaned regularly have been removed from our classrooms. Caretaking schedules will be adjusted to meet the needs of our school, and we have additional cleaning support available from Prairie South if we need it!

Focus on Hygiene...

All of our washrooms with air dryers have had paper towel added so that students can practice safe hand washing. Every classroom has its own supply of hand sanitizer in addition to the personal bottles that students will bring, and our teachers will be implementing regular hand hygiene practices in every room. Hand hygiene before and after activities will ensure the safety of our students and staff.
