Mortlach School

We are excited to connect with our families!

One of our values as a school is giving. To begin developing this mindset, we have changed how school events will be organized. Rather than one person in charge of an event, we decided that each Classroom will sign up for a month and be responsible for organizing all events in that month. This means your children may be contacting you for support during their month. One of our weekly responsibilities is the Nutrition Program, which will require parent help on Mondays.

The months are set out as follows:

September – Gr. 10-12

October – Gr. 3/4

November – Gr. 7-9

December – Gr. 10-12

January – Kindergarten

February – Gr. 1/2

March – No events; this is our swimming month this year

April – Gr. 7-9

May – K-4

June – Gr. 5/6

Thank you for your continued support!
