

Student Career News

News

1. Many students feel unprepared for the academic demands of post-secondary. The lack of studying and writing skills are often cited as the main reasons for their unpreparedness. The [University of Regina Student Success Center](#) is willing to assist us in preparing our students by providing sessions at our schools. Session options include academic writing, research, note-taking, reading, study skills, writing tests and managing stress. As well, grade 12 students are welcome to join their [upcoming sessions](#) on campus. Contact [Student Success Centre](#), 306.585.4076.
2. The [Neil Squire Society](#) is a national not-for-profit organisation that assists people with disabilities (of any kind) in finding employment. In addition, they offer several other programs to help participants become job ready. Clients work with staff and can expect to learn career and personal development, wellness for work and job search support; they may also take part in ergonomic and/or assistive technology assessment. Clients must be 15 years of age and must have a self-disclosed disability. For more information contact [Country Bell](#) or [Nikki Langdon](#), 306-781-6023 or 306-569-311, in Regina.
3. **Must-have apps:**
 - Looking for a way to keep your school emails organized? Download the [Microsoft Outlook app](#). It's free and allows you to browse through your school emails and documents at leisure. Also, it's a great idea to start thinking about a new email account just for post-secondary and scholarship applications and information. Look at your old one (not school email account) and ask yourself if it is the best one to use. If no, sign up for a new one. This way you are organized and won't miss those important emails!
 - The [University of Regina \(URFuture\)](#) and the [University of Saskatchewan \(iUsask\)](#) have apps that you can download for free. These apps provide you lots of useful information like admissions information, upcoming events, maps, directories, announcements, etc. You can even personalize them to your own class and final exam schedules.
 - Looking for apps that can help you in your career exploration? Take a look at Prairie South's [8 app starter pack](#) to help you on your way.
4. [The University of Regina's Accelerated Program](#) is a great opportunity for grade 12 students to take a university class such as English 100 and Math 110, lessening their course load in their first year at university. Course delivery can be in one of the regional colleges, online or on-campus. Contact [Flexible Learning](#), 306.585.5807.
5. [Encounters with Canada](#) is Canada's largest youth forum and provides a once in a lifetime experience. Participants (age 14-17) tour Ottawa and are introduced to Canada's diverse cultures, heritage, institutions, history, leaders and contemporary issues. Students have a choice of one of [13 career-themed weeks](#). Students who attended past sessions rave about this awesome opportunity! Register [here](#)!
6. [Early Safety Training Program](#) (ESTP) is a fantastic opportunity if you are currently on your way to building your resume and wanting to look like a star candidate for your future employers. Now you can receive safety training **for free!** Whether this training is to help you keep first-day awkwardness at bay or further develop your career, you are in the right place. Safety training looks great on resumes and post-secondary applications, as well as [scholarship applications!](#) The [Self-Study Bursary](#) is available to all students. For more information, please contact [Merissa](#) or call 306-757-3197 or toll free 1-855-280-7115.

7. The [Government of Canada's Financial Literacy](#) blog has put out a great post on [A new financial adventure: Managing money in college or university](#). This entry includes tips on budgeting and includes a budgeting worksheet, budget calculator, credit card comparison tool, and information on various forms of educational funding in Canada.
8. [Our Way – Employment and Social Development Canada](#) can help with financial assistance to scholarships and grants; saving, planning and paying for your education is within reach. Included are links to Colleges and Universities, post-secondary program search, repayments assistance estimator, career tool, and information on studying abroad.
9. [Post-Secondary Contact Information](#): Looking for contact information for certain colleges and universities that PSSD students access regularly? [Here is a guide](#) to help you find what you are looking for with phone numbers and email addresses.

Scholarship Spotlight

Are you a Saskatchewan student planning to attend a Saskatchewan post-secondary institution?

If yes, congratulations! You are a scholarship winner. The [Saskatchewan Advantage Scholarship](#) awards all Saskatchewan grade 12 graduates a scholarship of \$500 per year. Students may receive this scholarship up to a lifetime maximum of \$2,000. This scholarship is automatically applied to their tuition.

[Saskatchewan Youth Apprenticeship Industry \\$1000 scholarships](#) are rewarded each year to over 120 students who complete the Youth Apprenticeship passport. Each school nominates a potential candidate and winners are announced in June. Many Prairie South students have won this scholarship. Check with your school administrator or guidance counsellor for information on how you can earn 300 hours towards an apprenticeship trade along with the chance to win a \$1000 scholarship.
