Parent(s) of Grade 6 Students at Palliser School:

Moose Jaw Public Health has planned a Grade 6 second dose immunization day due to school closures. Please bring your Grade 6 student (regardless of school) to William Grayson School at 823 Caribou St. W., Moose Jaw, SK:

On: June 16, 2020

Between: 8:30 AM - 12:00 PM.

Enter the parking lot at 8th Ave. N.W. Follow the signage.

The Government of Saskatchewan COVID-19 guidelines will be followed including:

- Social distancing with 2 meters between individuals.
- Individuals with symptoms of respiratory infection including minor symptoms such a sore throat or runny nose should not attend.
- Only the Grade 6 student will be allowed in the school. Parents, if present, will wait in vehicle, in a designated parking spot. The student is to wait 15 minutes following the immunization. If the student needs any assistance, a Public Health Nurse will be available at the school gym doors.
- Students will undergo a health screening prior to entering William Grayson School. This includes a temperature check and questionnaire. The students will be required to perform hand hygiene (hand sanitizer) when entering and leaving the school.

Exit the parking lot at Caribou St. W.

For safety reasons the designated date and time is the only available opportunity to complete the Grade 6 immunizations for the 2019-2020 school year.

Thank you for your co-operation.
