School Community Council

Our next meeting will be held on March 17 at 6:30 p.m. via Zoom. A link will be provided to all members of the SCC. If you are looking to join our group, please contact Erin at erin.hidlebaugh@hotmail.ca.

Admin Message

Marching into a new month and nearing some much needed spring weather! Although we have faced some challenges at the school this past month, we have been encouraged by the kind, cooperative response by our parents, students and staff. We knew that it would take everyone working together to navigate this year in school and it has been wonderful to see the resilience of our school community. We must all continue to work together to see that our students, families and staff remain healthy and active in school.

March brings the end of the second term and with that some formal time to connect with families about learning. We will publish your child's report cards to MSS on Friday, March 19th. You will receive a notice when they are published. If you have been consistently getting school messages, such as transportation updates, you will receive this notification. If you require assistance getting into MSS, please call the office prior to the 19th of March.

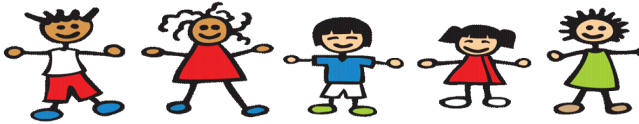

We will be running our virtual student-led conferences from March 22-31st. Your child's teacher will be contacting you with the specifics for their scheduled times. We encourage each student to participate with parents whenever possible as we have lots of celebrations to share!

Finally, we thank all of our families for your participation in our month long family literacy event. It was wonderful to see all of the pictures of families having fun and learning together. We encourage everyone to continue with these activities and work together to help our children grow and learn away from the school. As the warm weather comes, we will open up the door to a number of additional families activities. We are looking forward to hearing about scavenger hunts, hiking/nature walks, gardening and much more!

KINDERGARTEN REGISTRATION

Registration for Kindergarten is **now open**. Please visit the Prairie South website and you will find the online registration form under the School Tab. There will be a drop down menu where you choose Student Registration. From there you are able to choose French or English Kindergarten.

Please ensure when filling out the application that you write your child's **FULL LEGAL NAME** and correct birthdate as this is very important information. It is also important to fill out the previous school attended section if your child attended preschool at another location. Your child must be 5 years old at the end of December 2021.

Please help keep our school yard and community clean by properly disposing of your masks!

Front Entrance

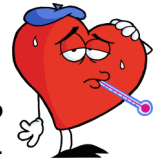

The front entrance will remain locked to control traffic into the building. Should you need to pick-up your child or drop off an item, please contact the office when you arrive or knock on the office window. Any parents invited in for meetings or other reasons, must sign-in, sanitize and wear a mask while in the building.

MSS for Parents

1. Save your login information.
2. Please login regularly to review your child's attendance and academic progress.
3. This program works best when using Google Chrome and a computer or laptop.
4. Please call the office for assistance with accessing report cards/MSS.

Reporting Student Absences

Please make sure you call the school to report when your child is absent or going to be late. Because of COVID-19 you will be asked what your child's symptoms are. If your child is ill, you will be advised to call 811 and follow the instructions given if your child's symptoms are related to COVID-19. Your child will be required to stay home until symptom free for 48 hours.

Leaving Messages on the Machine

If you call outside of office hours and are leaving a message about your child being away from school, please make sure you leave the reason. If your child is sick, please make sure you state your child's symptoms. **This is very important information and needs to be recorded!**

GRADE 8 Farewell

Grade 8 students will have their farewell photos taken on Tuesday March 23. These photos will be taken in the morning.

At this time we are unsure of what restrictions will be in place at the end of the year. However, we are committed to providing students and families with a celebration of their time at Palliser within the parameters we are given. You can anticipate more information for parents later in the spring.

Spirit Days

On March 3 wear your favorite hoodie!

On March 17th dress in Green!

Joke of the Month

Why did the math book look so sad?

- Because it had many problems
