## School Goals Update

Thank you students, parents, staff and everyone who has helped to encourage strong attendance this September. We are proud to report that our September attendance rate was 92.2%! Our school goal this year is to have greater than 90% for every month of school so we are off to a great start. The staff and SCC have been working at creating incentives to help encourage students to continue with improving our overall attendance this year. Research and experience have shown that school attendance is a significant factor in student achievement and high school graduation rates. Thanks for your support!

### Student Fees

We are pleased to provide the ability to pay for student fees, yearbooks and sports fees online this year at Peacock. To access online payment via interact visit the web link that is located on the front page of our web site at [www.peacockcollegiate.ca](http://www.peacockcollegiate.ca). You will need your child's 6 digit unique student ID number that is located beside their name on their student schedule or report card. Please contact Mrs. Kelly in the main office if you have questions about this new payment option. Student fees are \$50.00 and are required for all students. The purchase of a yearbook for an additional \$35.00 is encouraged but not required.
