Administration Message

Welcome to all new and returning students! We are excited for the year ahead and hope that you had a great summer holiday. As we start the new school year, we just want to remind all students and parents of the importance of getting involved in school activities and the benefits of regular attendance. Research and experience consistently shows that students who attend regularly and who participate in school extracurricular programs find higher academic achievement and stronger engagement in school. Our staff works hard to offer a wide variety of extracurricular programs from sports, fine arts, and many clubs. We strongly encourage you to get involved! A sign-up for all our extracurricular activities is available to students in the main office. Also, many of our extracurricular programs have enough room that all students interested are able to participate. Have a great 2019-2020 school year!

"You always miss 100% of the shots you don't take" Wayne Gretzky
