School Goals Update

Thank you students, parents, staff and everyone who has helped to encourage strong attendance this September. We are proud to report that our September attendance rate was over 90% so we are off to a great start. The staff and SCC have been working at creating incentives to help encourage students to continue with improving our overall attendance this year. Research and experience have shown that school attendance is a significant factor in student achievement and high school graduation rates. Thanks for your support!

Student Fees

We are pleased to provide the ability to pay for student fees, yearbooks and sports fees online this year at Peacock. To access online payment via interact or credit card please visit the web link that is located on the front page of our web site at www.peacockcollegiate.ca. You will need your child's 7 digit unique student ID number that is located beside their name on their student schedule. Student fees are \$50.00 and are required for all students. The purchase of a yearbook for an additional \$35.00 is encouraged but not required.

Parent Access to Marks and Attendance:

All students now have access to the My School Sask portal where they can locate their attendance and academic progress. The parent portal is not ready for use quite yet. Once ready you will receive an email with instructions. In the meantime please have your child share their login information with you so you can tour the portal. **During the student conferences on Thursday, October 24 we will have school computers available to access the portal.**

School Community Council

Minutes from recent School Community Council meetings are located outside the main office as well as on our web site. The next SCC meeting takes place at 6:00 pm in room 105 on **Wednesday, October 23**, and includes a light supper. Meetings are open to all parents and last about one hour.

Graduation 2020

The initial meeting for the 2020 after grad committee will take place on **Tuesday, October 22 at 7:00 p.m.** in the Library. Any parents interested in organizing or assisting with the after grad are asked to attend. At this meeting we will be asking for volunteers for executive positions and for committees.
