## June 2020 Peacock Collegiate Newsletter

Hello Peacock students and families!

We hope you and your family are doing well during this time and thank you for all your assistance and support at home helping your child continue with their school learning! We wanted to provide to all of you a quick update about a couple of items as we look to the closing of the school year this month.

**Supplemental Learning Ends June 11:** As per the email from the Prairie South School division all supplemental learning will end on Thursday, June 11. All classes, and any assignments and assessments, will be due by June 11. At this time, we do know that staff will be back in August to provide regular curricular instruction and assessment for all students rather than optional supplemental learning. We do not know whether students and staff will be able to return to school, or what restrictions will be in place when they do, and we likely will not know this clearly until August. In the coming weeks, our teachers will be working to ensure that regardless of any medical restrictions next school year, we are able to take care of the learning needs of all our students.

**School Team Uniform Returns:** If you have a basketball, volleyball, wrestling, cross country, or other team uniform, please return them to the school. We ask that you place the items in a bag, label them, and return them to the main entrance no later than Friday, June 12.

**Textbook & Library Book & Calculator Returns:** We would like to have all textbooks, library books, and calculators returned beginning June 15. If you have any items at home, please bring them to the school and leave on the main table in the front entrance. The doors will be open Monday to Thursday from 9am to 3pm daily.

**Access to Student Lockers:** If you have personal belongings that you would like to get from your locker, including returning any textbooks or library materials, you are welcome to visit the school between 9am and 3pm daily Monday to Friday. All visits to the school are scheduled to ensure proper distancing and disinfecting protocols can take place. ***\*Note: Most lockers have been cleared out and contents have been placed in bags and labelled with student names and placed in the gym for easy pickup.***

**Report Cards & Student Marks:** Teachers will be changing and updating marks to reflect the guidelines given by the Ministry of Education on March 16. Student report cards will be published on Friday, June 26, 2020 to the My School Sask portal for all students and parents to view.

**Graduation 2020:** Due to medical restrictions we are unfortunately not able to offer an in-person graduation service this year. Please know we share the disappointment of graduates and families not being able to celebrate in our traditional way. We are, however, committed to making the best we can out of it. This year we will be offering a virtual Peacock Cap & Gown Service on Friday, June 26 at 10:00am which will be shared online through our web site and YouTube channel (more details to come). Congratulations in advance of the graduating class of 2020. We wish you all the best in your future!

**Senior Shirts for Grade 11 Students:** Interested in purchasing your own “senior” shirt for the upcoming school year? To order your own please contact “The Shop”. All payments and coordination can be done through their business on the phone or visiting them during business hours.

**Annual Extracurricular Awards:** The annual award ceremony that normally takes place in June will be postponed to November to coincide with our academic awards. All grade 12 recipients will be notified in their graduation packages of their awards.

**Covid-19 Updates:** Prairie South School Division uses the Saskatchewan Health Authority web site as a source for all information about the pandemic:
