

A.E. PEACOCK COLLEGIATE

Summer 2020 Peacock Collegiate Newsletter

Administration Message:

Normally the last day of school is one where our hallways are filled with laughter and excitement for the summer holidays. However, this year the reality is very different. By working collaboratively as a community, we have ensured our families and community remained healthy and helped to have as much learning as possible continue at home. Thank you, families, students, and staff, for all your hard-work, cooperation, flexibility, and support as we finished the 2019-2020 school year!

Normally in June we have time to celebrate the numerous accomplishments of our students and volunteers. Part of this celebration is to say thank you to our volunteers. Please know that we appreciate all the efforts and thank the numerous parent and community volunteers who help to ensure all our students get opportunities to be involved in extracurricular programs! Your commitment and the dedication of your time and talent are crucial to our school. On behalf of the staff and students of Peacock Collegiate, thank you for your support!

It has been a privilege and an honour to work with the students, staff, and families throughout the past school year. Our students have routinely demonstrated their commitment to high achievement in a caring environment. Our students have also shown great growth in many academic and extracurricular areas this school year. We are very proud of all our students!

We wish you all a restful and safe summer. We look forward to working with returning students and wish all the best for the Class of 2020!

Report Cards: All report cards will be published to My School Sask in both the student and parent portal and be viewable by noon on Friday, June 26. If you have any questions about the final grade, please get in touch with your child's teacher. Contact details are located on our web site. The report card includes marks from semester one and semester two courses.

My School Sask Portal Access: If you have forgotten your portal password you can reset it following the instructions on the portal site. If you have disabled your account, please contact the school. A link to My School Sask is located on our web site.

Textbook & Library Book & Calculator Returns: We still have many textbooks that have not been returned and will be needed for issue at the beginning of September. We ask for your assistance in getting all these resources returned to the school as soon as possible. All school lockers and classrooms have been cleaned and checked for missing textbooks so please check at home. The school is open 8am – 4pm daily and all materials can be left on the front table in the main entrance. Any items not returned will be invoiced through School Cash during the summer. If you have any questions, please contact the office.

Student Personal Items from Lockers (Gym & Hallway): All school lockers have been cleared of contents. Personal items have been bagged and labelled and placed in the main entrance of the school. If you received a phone call, email, or text from the school to pick up your items you may do so up to June 30 from 8am to 4pm daily. Remaining items in the school will be donated in July.

Next Year Student Schedules: Student schedules for the 2020-2021 school year will not be available for viewing until August. Once active you will be able to view the schedules through the student and parent portal on My School Sask.

Graduation 2020: On Friday we will celebrate the Peacock Collegiate graduating class of 2020. Please know we share the disappointment of graduates and families not being able to celebrate in our traditional way. We are, however, committed to making the best we can out of it. This year we will be offering a virtual Peacock Cap & Gown Service on Friday, June 26 at 10:00am which will be shared online through our web site and YouTube channel (more details to come). Congratulations in advance of the graduating class of 2020. We wish you all the best in your future!

If you are interested in watching the service live, please use this link:

www.peacockcollegiate.ca The service will be left on the YouTube channel if you choose to view it later.

Football Information 2020: Are you interested in joining the Tornado Football Team? Please check out their Facebook page and join their team snap. Visit their site at <https://www.facebook.com/aeptornadoes/> . To join TeamSnap please email Peacocktornadofootball@gmail.com. Football normally starts at the August prior to school beginning so watch for updates about the team and league on our social

media. If you have specific questions please email Coach Redstone at redstone.bert@prairiesouth.ca.

Welcome Mr. Young: We are pleased to announce that we have an additional teacher joining the teaching staff next year. We welcome Mr. Brett Young back to Peacock Collegiate where he will teach social studies and several technology classes and electives. Welcome to the Peacock Collegiate family Mr. Young!

School Summer Hours and Updates:

Please note the school is closed during the summer so the office will not open until Thursday, August 20th. We do check email periodically during the summer break, or you can contact the Prairie South Office at 306-694-1200. If we get important updates about the upcoming school year during the summer, we will email them to all families and update on our web site.
