Excelling Together

Remote Learning Opportunities...

If your child is unable to attend school, we will support them at home. Each of our classrooms has a Zoom video feed available so that your child can attend class with all their classmates virtually during the scheduled class times. All teachers will be using online materials for easy access on your child's device at home.

Student Cohorts...

Schools are different from other public places because we get the same group of students every day. At our school,

student groups, or cohorts, will learn and eat together and contact with other cohorts will be minimized. Lunch schedules will look different and student movement around the school will be controlled to keep cohorts apart.

Contact Tracing...

Our teachers and bus drivers will have seating plans so that we are able to quickly identify close contacts at school. Our log of essential visitors means we will know exactly who was in the school and when. Non-essential visitors and deliveries will not be allowed in the school.

Help From Parents and Caregivers...

We need your help! Extra support from parents and caregivers will ensure a successful year for all students:

- ✓ Don't send your child(ren) on the bus unless you can't drive them that day.
- ✓ Arrange for your child(ren) to come home for lunch when this is possible.
- ✓ Reinforce the need for good hand hygiene at home.
- ✓ Don't send sick children to school.
- ✓ When the school asks you to pick up your child(ren), come immediately to pick them up.
- ✓ Make sure your child has a small bottle of hand sanitizer and a reusable mask.
- ✓ Communicate with us by telephone, text or email rather than coming to the school.
- ✓ If your child(ren) are learning at home, help them when they need support.
- ✓ Let us know what we can do to support your child(ren) and your family!

**Our school's plan for re-opening on September 8, 2020.
We can't wait to be #learningtogether!**

Emotional Support...

Children will respond to the transition back to school in different ways, and each of our classrooms will have additional programming to support children who have been away from school since March. Let us know if your child is having a difficult transition back to school. We can help!

Responding to Illness...

Children or staff who are sick will not be allowed at school until they have been symptom free for 48 hours or are confirmed to be COVID-19 negative. Our school has an isolation room and PPE available in the event that a child gets sick while at school. Through our Superintendent, we are working with the Saskatchewan Health Authority to ensure testing is available when needed.

Enhanced Cleaning...

Our facilities staff will be doing additional cleaning at our school. In addition to regular cleaning, we will be sanitizing all high touch areas at least twice daily. Every classroom has sanitizing supplies in place, and teachers will help students learn how to keep their individual spaces clean and safe. Materials that can't be cleaned regularly have been removed from our classrooms. Caretaking schedules will be adjusted to meet the needs of our school, and we have additional cleaning support available from Prairie South if we need it!

Focus on Hygiene...

All of our washrooms with air dryers have had paper towel added so that students can practice safe hand washing. Every classroom has its own supply of hand sanitizer in addition to the personal bottles that students will bring, and our teachers will be implementing regular hand hygiene practices in every room. Hand hygiene before and after activities will ensure the safety of our students and staff.

Prairie South Schools Mask Protocol 12 August 2020

Group	Mask Protocol
Grades PreK to 3 Students	Masks are not required. Parents may choose to provide masks for their children and school staff will support their use as practical during school hours.
Grades 4-12 Students	Masks are required during indoor transitions (hallways, bathroom visits, etc.) and on the school bus. Masks are required in classrooms where 15 or more staff and students are present.
Grades PreK to 3 Classroom Staff	Masks are not required in the classroom. Staff may choose to wear a mask. Masks are required during indoor transitions (hallways, bathroom visits, etc.)
Grades 4-12 Classroom Staff	Masks are required during indoor transitions (hallways, bathroom visits, etc.). Masks are required in classrooms where 15 or more staff and students are present.
Non-classroom staff and visitors to the school	Masks are required when students are present in common areas and during indoor transitions. Masks are required in classrooms when visiting multiple student cohorts. Staff may choose to mask at other times.

Exemptions

1. In circumstances where students of any age require physical support, PPE (including masks) may be used at the discretion of the student support team planning for that student.
2. Students and staff with a medical condition that makes mask use inappropriate or unsafe are exempt from this protocol.

Schedule & Student Timetables: We are adopted a block system for the school year. Students have two classes per day which are 2 hours and 45 minutes in length. One class is in the morning from 8:44am to 11:30am and the afternoon class is from 12:30pm to 3:15pm. Each class will have a scheduled 10 minute break. Block dates for the school year as follows: Block 1: September 8 - October 28, Block 2: October 29 - December 18, Block 3: January 4 - March 3, Block 4: March 4 - May 4, and Block 5: May 5 - June 28. Access to view student timetables can only be done through My School Sask. If you need assistance with your login, please contact the main office.

Masks: Prairie South has implemented a mask protocol for all grade 4-12 students and staff. The expectation at Peacock is that students and staff are required to wear a mask throughout the day. This includes when students enter, leave, travel in hallways and common areas (washrooms, lunchrooms, etc.), and attend classes. As per the directives sent out by Prairie South last week, masks must be worn in all classes occupied by more than 15 people which will incorporate all classes at Peacock. Thank you for your cooperation.

Entering and Exiting the Building: To minimize contact between student cohorts, when entering the building students should report directly to their morning or afternoon classes. There will be no afterschool programming, students are expected to leave the building following dismissal at 3:15pm. Currently, we are limiting public access inside the building and require visitors to sign in and wear a mask. We strongly encourage the use of phone, zoom, text, or email to contact the school. All entrances will be open and hand sanitizer stations will be placed at each entrance.

Lunch Hours: The safest alternative at lunch is for students to go home if they are able. The lunch break is from 11:30 a.m. - 12:30 p.m. The concession will be open to serve individual meals to students. We have created some extra spaces, indoors and outdoors, for students to sign-up to eat their lunches in cohorts if leaving the building is not an option. Staff supervisors will be throughout the building to ensure safe practices are occurring.

Lockers & School Supplies: Students will not be assigned lockers this year. Student should limit the amount of materials brought between home and school. School supplies can be provided to students if needed. We ask students to bring a water bottle, mask, and their own hand sanitizer. If there is an extenuating circumstance, a locker may be assigned to a student. Please email arnott.tana@prairiesouth.ca.

Extracurricular Programs: Although an extremely important facet to our school, we are unsure as to which, if any, activities will be able to proceed at this time. We will share once we know more details. Currently all extracurricular programs are on pause.

Contact Information: Please refer to www.peacockcollegiate.ca for a list of staff members, including email. Newsletters and other important announcements are updated daily.
