

Day 11 Winners

"Maybe Christmas, he thought, doesn't come from a store. Maybe Christmas, perhaps, means a little bit more."

Dr. Seuss

On the 11th day of Christmas our kindness winner is Anga. He is always helping those around him. He says please and thank you and is a great listener to his peers.

Anonymous Donor

Our second winner today is a quiet student but when he smiles it can light up the whole entire room. He is supportive of his classmates, shows great manners and is always on task.

Thanks to HCL Construction for the donation!
