Dear: Prince Arthur Families,

We would like to begin by **thanking you** for your support, patience and willingness to make the best out of the last few month of this unconventional school year. Together, teachers, support staff, parents, guardians, and of course our students, pulled together to create supplemental learning possible in our school community.

On behalf of Mr. Raes and myself, I'd like to say we are incredibly proud of our school staff, students and all of you for everything you have done to continue to make great connections during these challenging and ul times. The year 2020 will never be forgotten!

Please know that all the staff at Prince Arthur have missed your children in our building.

As we move forward into the fall, srudent safety is our priority. We are following health and safety guidelines laid out by the provincial government. As of now, students will be back in the classroom in September, but there will be some changes made to ensure the safety of all students and staff. One of these changes' surrounds classroom supplies.

We ask that you DO NOT buy the ordinary classroom supplies. We are trying to minimize contact surfaces and the school will supply your student with everything they need for initial start-up. **If additional supplies are needed, we will contact you once we have a clearer understanding of new procedures and protocol.**

Your son/daughter is required to ONLY bring the following:

- 1 refillable water bottle**
- 1 personal bottle of hand sanitizer**
- 1 pair of indoor shoes**

All report cards were published to the parent portal this morning. Student achievement is based on what teachers assessed prior to March 13th. **Please ensure your login credentials for the parent portal are working.** If you need assistance, please contact the school prior to the end of the day **Tuesday, June 30th.**

We will be in touch in August to provide additional information about school in the fall, so that you have time to speak with your child/ren about things that may be different at Prince Arthur.

Until then, please have a safe and relaxing summer. Even with the challenges of COVID-19, it's still a great day to be a Panther!

Sincerely,

Ms. J. Straub & Mr. B. Raes
