

ROCKGLEN SCHOOL

January 8, 2015

Happy New Year and welcome back to school for 2015! Our Bantam and Senior Basketball teams are back in full swing with league games in Bengough and Gladmar this week. High School teachers are working feverishly to wrap up curriculum content in order to prepare students for final exams which take place the week of January 26th to the 29th. **Please see the attached exam schedule and please note that grade 9's will have classes all week as they do not have any final exams scheduled. Grade 10 students will have regular classes January 26th, 27th and also the afternoon of the 29th.**

Also attached to this newsflash is the hot lunch order form. January's hot lunch is scheduled for the 21st.

Anyone in need of a computer for home use can pay \$1.00 and pick up one of our recently replaced ones from the school. They come with a keyboard and mouse but no monitor. Stop by the office to fill out the form.

Mrs. Michelle Marcenko
