

# NEWSFLASH

SEPTEMBER 29, 2016

WOW! Our Terry Fox walk was a huge success! Because of everyone's efforts our school and community raised \$2045.00 to donate to cancer research. This surpasses our goal of \$1500.00 and as a result the SRC will be waxing Mr. Sleightholm's legs on Friday! OUCH! Thanks to Mr. Sleightholm for being such a good sport and motivator for students to collect pledge money. Alexa Putnam collected the most pledge money and as a result of her efforts she will receive a Terry Fox T-shirt. Well Done Alexa!!

QSP magazine sales are coming along nicely. Remember all subscriptions are due at the office on October 11<sup>th</sup>. This gives families time over Thanksgiving weekend to hit up relatives. ☺ All QSP funds are used to support extra-curricular events such as Missoula Children's Theatre.

Another reminder that all picture order forms are due on October 4<sup>th</sup>.

Our first hot lunch of the year will take place on October 4<sup>th</sup>. This is just a reminder that you can pay for all year and your name will be kept on a master list, or you can pay monthly. Thank you to Crystal Kuipers for taking on the coordinator position of the hot lunch program! If you would like to help out in any way, please contact Crystal.

Did you know that school attendance is a key to lifelong success? By making your child's attendance a priority you are taking an important step to supporting your child's success and setting a good example for the future. Research indicates that attendance records may be the biggest factor influencing academic success. With this, we also know that sometimes student absence cannot be avoided. In such cases, please contact the school to report your absence. 476-2220. Thank you for your consideration.

If you have a chance, come on out and cheer on our Sr. Boys Volleyball team this weekend as they are hosting a 6 team tournament. Action starts Friday after school and continues through to Saturday evening. GO RAIDERS!!

As always, if you have questions or concerns, please contact the school.

*Mrs. Michelle Marcenko*
