- Next week is Education Week in Saskatchewan. We will be celebrating with many activities from spirit days to potluck supper and open house/classroom scavenger hunt on **Wednesday, October 17<sup>th</sup> at 6pm.** We hope that all parents and students will attend. That evening we will be hosting a **Drug Awareness Presentation.** Please do your best to attend as the presenters will be bringing information in regards to the types of illegal drugs that are accessible right here in our own community. More importantly, discussion will be held to as to how to deal with teens in the event that they are exposed to such dangers. With the legalization of marijuana use in Canada this very same day, I think this is a valuable presentation to attend. If you have questions, please contact the school prior to the presentation. I hope to see everyone there!
- Attached below is our Education Week Plan. (see next page)
- QSP magazine sales are wrapping up. Thanks to everyone who supported this cause. All funds raised will help pay for Missoula Children's Theatre that will be here in April. Monday will be the very last day for subscriptions to be handed in.
- Good Luck to our bantam girls volleyball team who is travelling to Avonlea for a tournament this weekend.
- League games for volleyball next week include our sr. boys hosting Glentworth on Tuesday night and our bantam girls travelling to Glentworth on Thursday evening. Tuesday evening our sr girls travel to Bengough. GOOD LUCK! GO RAIDERS!
