Principal's Message...

As shared in the September newsletter, our student well-being goal is belonging and positive relationships within the school. While it is a challenging goal, we are committed to providing opportunities for growth in this area. The School Community Council (SCC) is committed to supporting this goal as well. The school is sponsoring a proven facilitator, Dwayne Peace, to speak to, and work with, students and staff October 3rd and 4th. He will not only address issues important to teens today, but he will also work with small groups to build empathy and acceptance within the class. The SCC is sponsoring a parent night at the school on Tuesday, October 3rd at 7:00 p.m. where Dwayne will share with parents a condensed version of the full-day experience that all grade 7 – 12 students will receive. As a common language among students, staff and parents will maximize the benefits of this experience, we hope that all grade 7 – 12 families will attempt to have at least one representative at this event. While the program is geared to Grade 7 – 12, the parent night is open to all parents in our school community.

Further to this goal, October 23rd – 27th will be Rouleau School's Mental Health Awareness week. Also supported by the SCC, this week will feature presentations that will educate all students to the realities and seriousness of mental health issues, as well as provide support to those who may be currently struggling. More information on this week will follow.

Egg-citing times in the Grade 1/2 Room!

The grade 1/2s have had a very busy September. We were learning about our school community and had some visitors in our classroom from around the school! We were working on numbers and patterns in math as a group.

This month, we start science with Miss Nestman! She is teaching us all about the life cycles of some familiar animals! We are starting by learning about chickens! She has even brought in some eggs that we get to learn about and watch hatch in a few weeks! We are so excited to learn about the different stages of the egg and how the chick grows!

The grade 1's have been learning all of their letter sounds and color words. I bet they would love to share at home!

The grade 2's have started guided reading and are reviewing short a word families. They are working on ideas for writing and using capitals and periods in their sentences.

Volleyball

All four volleyball teams have had a great September. Both Bantam teams and the Sr Girls are competing in leagues which have seen them all go undefeated. The Sr Boys were repeat champions at the South Hill Classic in Moose Jaw on September 23rd. On the same day, the Bantam Boys went undefeated and brought home gold from Gravelbourg. All four teams will be busy throughout October on their way to playoffs. The bantam girls will be first team to start playoffs by hosting North Sections @ Rouleau on October 17th versus Avonlea. The winner of this match will host Districts on October 28th. Bantam boys will travel to a TBD location for their North Section playoffs. Sr Boys and Sr Girls will start playoffs in early September. Congrats on a great season so far Rebels! If you see any of the following students congratulate them on their early success!

School Cash Online

Some of you may have noticed this info on our school's website (or PSSD's website). We are working towards getting this up and running at our school. You may go on and register if you wish so you are prepared, however, you will receive email notification from me when we have it available for you to use. Please note that our milk program will continue with cash/cheque as per Mrs. McRorie's request. Thank you! ~ Mrs. Krauss

We are very excited to announce that our school will now be offering *School Cash Online*, which provides you with the convenience of paying online for school items such as trips, club/athletic fees, and spirit wear. We really want to save you time when paying for school expenses, so we can't wait for you to take advantage of this opportunity. *School Cash Online* is a great way to pay without the need for cash or checks!

Please follow the link below to register online (it takes less than 5 minutes!). Once you have registered your child, you will be able to see when they have a new item posted online for purchase. You also have the option to be notified whenever your child has a new school expense due, so you don't have to worry about missing the deadline.

To set up an account and explore the system, please follow the instructions below. We look forward to hearing your feedback!

Register Online:

Step 1: Please click on this link: <https://prairiesouth.schoolcashionline.com>

Step 2: Register by selecting the "Get Started Now" and following the steps.

Step 3: After you receive the confirmation email, select the "click here" option, login in and add each of your children to your household account. **Convenient, Safe, Secure**

If you have any questions during the registration process or while shopping online, please select the **SUPPORT** option in the top right hand area of the screen.
