YEARBOOK

The 2020-21 yearbook is in the proofing stage. We need to go over it one more time before sending it off to the printer. Once it is submitted, it should arrive within 6-8 weeks. Thanks for your patience on this project. We are excited to share the memories.

SPORTS REPORT

Our fall sports - golf, volleyball, and cross-country - are underway and the students are having a great time learning their respective sports.

The gym is busy with our two gr 7 & 8 girls volleyball teams practicing twice a week as well as upcoming games on Thursdays. Ms. Ward and Mrs. Chadwick are coaching one team and Susan Berner with the help of Curtis Lucas are coaching the other. Our gr 7 & 8 boys have joined with ACHS to make a combined team and have Talsa Warken and Curtis Lucas as coaches.

Ashley Burnay has been working with our cross-country runners on Mondays and Fridays at noon. The runners in grades 5-8 are learning about breathing while running and are enjoying their runs. They are looking forward to a couple of meets in the near future.

Watch for news in regards to upcoming games on our Facebook Page. We'd love to have you come cheer on the Jets.

GOLF

This year we had seven golfers join and compete at the section tournament in Assiniboia on Friday, Sept 10th. Cohen, Eric, Bodyn, Vadin, Jayce, Zayden, and Jenika represented AES with pride and great sportsmanship. Jenika placed 4th and Eric won bronze which earned them a spot at the district meet in Avonlea on Sept 17. Thanks to Chad Stevenson for taking them to Avonlea and marshaling for the district tournament.

Any students wishing to join the golf team for next year should listen for announcements in the spring when we start up again.

AES 2021-2022 SRC

It has been a slow start to the school year in terms of our SRC, but I am excited to say we finally have a group of students in place to do a great job of representing our students/school this year.

I would like to start by thanking Kady, Ramsey, Grace and Ava who volunteered to be my Welcome Committee on the first day of school. There were many parents and students who were thankful for your help and direction that morning.

This year our SRC will consist of Homeroom Reps from each classroom/grade along with an alternate who will take their place if they are not available from time to time. Please help me in welcoming them to the 2021-2022 SRC!

ANNUAL TERRY FOX RUN AT AES

This year celebrated the 41st anniversary of the Terry Fox Run. Our run, once again, had a different look to it this year due to COVID. In our individual homerooms, students viewed a video called "Remembering Terry" which shows us Terry's run through the eyes of everyday people who were affected by his Marathon of Hope.

On Sept. 24, we had a whole school Zoom meeting. It was a lot of fun to be able to wave at and see the other homerooms. We were introduced to Grayson, a little boy who was diagnosed with a cancerous brain tumor at just 5.5 months old. Our school gifted Grayson with a Terry's Team red shirt, which was made into a pillow for him since the shirt was way too big. Our message to Grayson and his family was that they are not alone in this fight. Students across this nation continue to honour Terry by participating in and donating to the Marathon of Hope. All in all, we were able to raise \$885.25.

Donations can still be made online at [PLEASE SPONSOR Assiniboia Elementary School - Assiniboia, SK \(terryfox.ca\)](https://www.terryfox.ca) if you didn't get the chance last week. A huge thank you to the families, staff and students who brought donations or made donations online. YOU ROCK!!!

'Deli Meat' Free Sandwich Ideas

Sandwiches are a delicious and filling lunch! However, deli meats are a highly processed food and Canada's food guide recommends we limit how many highly processed foods we eat. Thankfully, there are many ways to build a mouthwatering sandwich without the deli meat.

Try any of these ideas on whole grain bread, pita, buns, tortilla wraps, or naan:

Lean Night's Leftovers: Roasted chicken, turkey, beef, or pork topped with fresh veggies. Try adding a tasty condiment like Dijon mustard or fruit chutney.

Eggs, Tuna or Salmon Salad: Mix up these favorites by using hard-boiled eggs, canned tuna or canned salmon, mayonnaise, finely chopped celery and peppers. Top with fresh lettuce.

Chicken Salad: Try a new twist with diced roasted chicken, mayonnaise, curry powder, and cut up and grapes.

Meatball: Slice it cold and top it with fresh vegetables and mustard or ketchup.

Cheddar, Mozzarella, Muttler or Swiss Cheese: With jam, veggies or thinly sliced pear.

Dry Cottage Cheese: Add cinnamon and fruit or tomatoes and sliced pepper.

Fresh Vegetables: With light cream cheese or mayonnaise.

Hummus: Top with sliced cucumbers, shredded carrot and lettuce.

Here are some delicious ideas that work better in a wrap:

- Scrambled egg, onions, pepper, grated cheddar cheese and salsa
- Diced roasted chicken, fresh mango, red onions, greens and a sauce made by combining mango chutney and mayonnaise
- Refried beans, salsa and lettuce
- Soy butter with a whole banana

What does Ronald McDonald House Charities do?
Ronald McDonald houses provide families of sick or injured children with a home while their child is being treated at a nearby hospital. Ronald McDonald Family Rooms also provide a comfortable place for families to rest and recharge, right inside hospitals. The houses allow families to stay together so kids can heal better.

Why is there a need?
Ronald McDonald House Charities (RMHC) help to keep families together. Approximately 66% of Canadian families live outside a city with a children's hospital. When a child gets sick, they often have to travel hours to get treatment and relocate to a different city far away from jobs, friends and family. Our 13 Ronald McDonald houses across Canada give families a place to stay close to the hospital where their child is being treated, providing accommodation and a community when it matters most.

From October 1 to December 1, Integra Tire Assiniboia is participating in a "Light the House" fundraising campaign, an initiative spearheaded by Integra Tire Canada. For a minimum donation of \$2.00 you will receive a red lightbulb to write your name on. We will collect these bulbs weekly and display them in the windows in our customer areas. Let's show Integra Tire Canada how we fundraise, Assiniboia style!
