

THE JET PACK NEWS!

ASSINIBOIA ELEMENTARY SCHOOL

MAY 2022 ISSUE

PRINCIPAL'S MESSAGE

Mother Nature may have finally committed Spring, which allows our farming community to be in full swing and our staff and students get to enjoy this weather throughout the day.

AES held our Annual General SCC meeting this past month and we wanted to welcome our members Krista Borgerson (Chair), Christine Gee, Ashley Karst, Tracy Nelson, and Jackie Pituley.

We are headed into Badminton Districts this weekend and have Track and Field Sections/Districts coming up in the next few weeks in May. We are looking at hosting our annual Grade 4-8 AES Track in June again, so stay tuned for information about volunteers for that event.

Check your emails for our CE/PAA survey. We will use this survey to setup classes for the 2022-2023 school year.

We want to thank our parents for continuing to play it safe if their child is feeling ill and keeping them home to watch for symptoms to improve. Thank you again for your support as we have done a great job working our way through this school year.

Principal

STUDENT PICKUP AND DROP OFF

We encourage anyone dropping off or picking up students from our school to NOT park on 4th Street East or use the north parking lot. Instead, we are asking that you park on either 7th Avenue East or Assiniboia Avenue.

The intent is to keep our students safe at very busy times of the school day. We often see students and parents jaywalking and our buses are not able to pull away freely or if using the north parking lot, students need to use that entrance and it could be a safety concern.

Both 7th Avenue East and Assiniboia Avenue offer an area for pick and drop off that does not interfere with the buses and does not require students to cross the street outside the crosswalk areas. Your cooperation in this matter is greatly appreciated.

HIP HOP HOOP DANCE COMING TO AES

We are very excited, after waiting for two years, to have Terrance and Chanz coming to perform for the students of AES. If you are interested in learning more about this amazing duo, please read the information below. A huge thank you to the Assiniboia & District Arts Council for helping fund this performance.

Mrs. Chadwick
Performing Arts in Schools Coordinator

World champion hoop dancer, Terrance Littletent, collaborates with interdisciplinary artist, Chanz Perry, to produce a cross-cultural fusion of First Nations Hoop Dance and North American Hip Hop. Both engaging performers share an historical, educational and inspirational outlook of the two dance genres. Hip Hop Hoop Dance previously toured with OSAC to 48 Saskatchewan schools in 2018 to great response.

Terrance Littletent is from the Kawacatoose Cree Nation and was born in Regina, Saskatchewan. Much of his traditional teachings were inherited through his family and elders.

singers and dancers, storytellers, and academics. Terrance is an accomplished Grass and Hoop Dancer who has traveled across Canada, the United States, and overseas, sharing his gift of song, dance, and narrative, in a humble way. At the age of 6, Terrance had already been introduced to the traditional techniques and movement skills used to create his own dance choreography. By the age of 8, Terrance's uncle; Kirby Littlelent, presented him with the gift of the hoop, which inspired Terrance to continue his uncle's legacy of sharing the ways of their people. 11 years later, Terrance became recognized as a World-Renowned Hoop Dancer. As an educator, producer, and performer, Terrance continues to find ways to bridge traditional and contemporary dance and music styles. He was employed as the Regina Public School Cultural Liaison, working with community school students in the public-school system.

Chancz Perry has spent over 30 years in the entertainment industry – on stage, screen, and behind the scenes. This multifaceted performer and choreographer has received numerous awards including the Jessie Richardson Theatre Award (Vancouver Sun's Entertainer of the Year). He is certified in Early Childhood Education, has a BFA in Dance, and a BA in Criminology from Simon Fraser University. He is currently completing a Master of Curriculum and Instruction at the University of Regina while being an Artist in Residence in Regina Public Schools.

Shelby Lyn Lowe is a Saskatchewan-based designer, stage manager, technician and puppet artist and has a BFA in Theatre Design (University of Regina). Shelby is also the Program and Production Coordinator (Saskatoon) for Listen to Dis' Community Arts Organization, whose goal is to enable artists and community members with varied abilities through inclusive contemporary art practices. She previously toured with Hip Hop Hoop Dance in September 2018 and is excited to join Chancz and Terrance for future touring.

Testimonial:

"The students and staff enjoyed the art of dance and theatre, but embraced the learning component, when the performers linked First Nations and African colonialism to one another to send a strong message out to everyone. Colonialism is a global issue that can be related to many cultures all over the world and I liked how they used dance and drama to send this message home to the audience. It is a way to teach students acceptance of others and to promote the elimination of racism in our schools. I loved this presentation." – Blaine Lake Composite School
