2. Budget Update and Principal's Update – Leisa Neufeld (10)

See attached.

To Note: Grade 7/8 camping trip moved to June 19th

School survey was more productive and helpful this year. Kids did well with critical feedback. Most of the feedback was that there wasn't enough to do outside. More outside toys bought and more to come!

New info re school supplies ... can buy all through staples. Teachers can ask for less but not for more. If teachers need more the school will buy it. Information will be sent out to parents.

Grade 7/8 grad and camping planning is being figured out this week and info will be sent out soon.

3. Debrief on Mom's Pantry Fundraiser, possibility for next year – Cheryl Crocker (5)

Made 330\$ profit.

Delivery fee was unclear in the beginning. In the future, we could partner with another location/group and if we can make 2500\$ sales costs together there would not be any delivery cost or if we didn't we could split the cost.

? Move to fall/winter so don't have to worry about freezers when delivered ?

Cheryl will clarify if we would share a bill with preK and Leisa can look into logistics of sharing the bill with preK.

4. Debrief on Hot Lunch – Sabina Wiensz and Bethany Daeschel (5)

Went well. 161 meals (197 hotdogs). Seemed to go well and kids were very happy to have it as a special day.

To clarify for further hot lunches:

More ranch dressing and less vegetables ;)

Have 10 extra meals to be available to be bought as cash for those that forgot/missed the deadline.

Announce with original messages that families who may need help with covering the meals and those who would like to buy an extra to let the office know prior to ordering.

If extra meals are not used will add the money to future hot lunch.

5. June Extravaganza (June 13th) – Leisa Neufeld (5)

SCC to do a hotdog booth. Natalie and Sabina will head this up.

Jumpy castle is reserved and SCC will help with this. SCC paid for this last year. CES can cover the cost for it also. 300\$ approx.

Fire Truck is coming. Bike rideo will

Game options discussed.

?? Latrace Fun park - Natalie will talk with Cindy

6. School-yard improvements – Cheryl Crocker (10)

Enjoying the trees and plants already planted.

Slowly raising money and can we move forward with some smaller things. Picnic tables? Better signage?

Sabina will talk with Brent Hawrysh. His students would make the bench and sign. We'd pay for the supplies. Will get price range.

Possible to get a 9 square set?? Get it as a permanent welded structure?? 1100-1500\$ online with some quick looking now.

If we use money from grant money it has to be motioned and in the SCC minutes prior to buying.

Decision will be tabled til next meeting.

7. First day of school photo booth – Cheryl Crocker (5)

Can we buy pieces that would be more permanent and used every year with minor adjustments?

Palet wall (spray painted) - would be too big possibly

Tissue paper flowers?? Fabric overlay??

Cheryl motions we spend up to 300\$ on a reusable Photo Booth sign.

Sabina seconds the motion.

All are in favor.

8. Teacher Appreciation Lunch and Fridge Stock - Cheryl on behalf of Jori Willems (10)

Jori has this all arranged. Leisa to let her know about staff allergies and they will speak about ordering it.

Will see how much the meal is and next meeting we will decide what and how we will work out the fridge stocking for end of June.

Pls Note that the money for this has been voted for during the last meeting.
